MESSAGE FROM THE PRESIDENT

Dear Rotarians,

The word “avenge” has its roots in the 14th century Middle English “avengen” and the Old French word “avengier” which itself is a derivation of the Latin “vindicare” or to vindicate. A more modern definition is to exact satisfaction or inflict punishment as an act of retributive justice or as a vindication of propriety.

Halloween’s origins date even further back to the ancient Celtic festival of Samhain. The Celts, who lived 2,000 years ago in the area that is now Ireland, the United Kingdom and northern France, celebrated their new year on November 1. Celts believed that on the night before the new year, the boundary between the worlds of the living and the dead became blurred, and that the presence of these spirits made it easier for the Druids (priests) to make predictions about the future. These prophecies were an important source of comfort and direction during the long, dark winter.

So in celebration of Halloween, today we have invited some of our own avengers (with apologies to Marvel Comics) to apply a tongue-in-cheek highlighter to all the amazing work our club does in providing justice, based on the Four-Way Test, to the Las Vegas community on a daily basis.

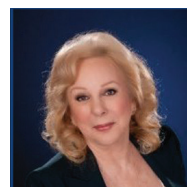

Together we have provided clothes to those in need, fed the hungry, built homes for those without, helped develop literacy, supported our first responders, immunized against polio, repaired cleft palates, turned wine in water and provided so many other services to those in need. No doubt our club has positively affected the lives of well over a million people around the world since our inception – most of these are people we will never meet.

So you tell me, what is saving New York from aliens from outer space compared to what our club has been doing for 93 years?

Each and every one of you is the true Super Hero!

“Thor”
