Glenn's practice is dedicated to helping his clients run purpose driven businesses that make a positive impact on the world. Glenn provides general advice and strategic counsel to business owners, and acts as their interface with the legal system. In addition, Glenn helps his clients identify and express their business purpose, design and maintain healthy relationships with their stakeholders, and build vibrant lasting company cultures.

Glenn obtained his undergraduate degree in Political Science from the University of California, Riverside in 1987 and thereafter attended law school at Emory University in Atlanta Georgia. While at Emory, Glenn served on the Editorial Board of the Emory Law Review and also completed training with the National Institute of Trial Advocacy.

Glenn was consistently recognized by the Air Force for his courtroom skills and was ultimately assigned as one of a small group of prosecutors throughout the Air Force assigned to handle serious cases across the country.

Glenn's initial assignment with the Air Force was to Nellis Air Force Base in Las Vegas, Nevada. Following his Honorable Discharge from the military, he returned to Las Vegas where he has been in private practice since 1996. Glenn stays involved in the local community as a member of the Las Vegas Rotary Club, a board member for the Josh Stevens Foundation, and a member of the President's Advisory Council for the Smith Center for the Performing Arts. Glenn's most recent community oriented project has been to found the Conscious Capitalism Chapter of Las Vegas.

In addition to his legal practice, Glenn provides services as a neutral mediator to parties in dispute and also provides coaching to lawyers looking to create fulfilling win-win practices.

MESSAGE FROM THE PRESIDENT

Dear Rotarians,

I thought I would take the opportunity today to recap our Cars for a Cause Show. As you will recall, we launched the car show in 2016 as our major fundraiser with the following primary objectives:

- 1) To lower fixed costs so that more of the money raised goes to our programs.
- 2) Allow for “unlimited” fundraising growth potential.
- 3) Give all members and opportunity to participate in a fun event.
- 4) Enhance our ability to raise money from non-members.

Well this year we did an outstanding job on objectives #1-3 and started to make some good progress on item #4. Here are a few highlights:

- a) We will net about \$17,000 from this year’s show – an increase of over 300% from last year!
- b) We had 110 cars registered this year – all of which paid to participate.
- c) 40 or more members volunteered throughout the year on the project and almost all participated in some way (buying raffle tickets, attending the show, etc.).
- d) We estimate about 1,500 people attended the show.
- e) A great variety of raffle items were won and our grand prize was won by our own Jimmelle Siarot!

Congratulations to President Elect Michael Gordon, Director Janice Lencke and the entire Car Show Committee for truly taking this event to the next level!

Also, a very special thanks to our event sponsors, all of whom were club members this year. Please make sure to look inside the club first as you seek products and services.

What a great time to be a member of this club!
