MESSAGE FROM THE PRESIDENT

Dear Rotarians

As our club continues its 95th year of service to the Las Vegas valley, we know that many of our former members helped shape and create our beloved city. However, we don't often have the opportunity to experience this history up close. Past President Caty Crockett has organized such an opportunity for our club members.

Caty, by the way, is a living example of the history that I previously mentioned since she served as the first female President of our club during the 1995-96 Rotary year. Additionally, Caty's father, George Crockett was the one who started the first airfield in Las Vegas which we now know as McCarran international airport – the 8th busiest airport in North America.

Next Thursday (September 21) our speaker will be Mark Hall-Patton, the administrator for the Clark County Museum system, also known for his guest expert appearances on the TV show "Pawn Stars". He will lead a private and exclusive tour of the Cannon Aviation Museum explaining Rotary's role in the airport's development. *Before the tour, our own PP Dave Thorson will take our members on a tour of the USO at 10am. If you wish to take part in this private tour, please meet next Thursday September 21 at 10:30am at the Cannon Aviation Museum located on the second floor (above baggage claim) in Terminal 1. The tour will conclude by 11:20am so that we can make it back to Lawry's for our meeting!*

I hope you can join us as we continue to celebrate the milestones and history of our club.

Other 95th anniversary milestone notes from our club's history:

- Club's first meeting was on February 23, 1923 and received its charter on April 5, 1923.
- Club was started by 18 members and met at the Chocolate Shop (now part of the Golden Nugget).
- Les Saunders served as the founding President.

Michael Gordon, the 95th President of the Las Vegas Rotary Club, recording both the opening welcome and the closing messages for the new Speakers Series weekly podcast, produced by Captain Kirk Holmes. We believe that we will be the first Rotary club in the world to podcast all of our weekly guest speakers. Of course he offers an invitation to come and visit us. What a great marketing tool.
