

The Rotary Youth Exchange (RYE) program is administered locally and applicants must be sponsored by a local Rotary club and District. Rotary clubs exist in more than 200 countries and geographical areas, and Youth Exchanges take place in nearly all of them.

The program is open to students ages 15-19. To qualify, applicants should be above average students who demonstrate leadership in their community and possess qualities such as flexibility and a willingness to try new things that will enable them to fully experience life in another country and become excellent cultural ambassadors.

Long Term Exchanges, usually last one year, during which the student attends school and lives with two-three families in their host country. To ensure their safety, the host Rotary club conscientiously screens and selects host families.

The Las Vegas Rotary Club proudly supports the RYE program sponsoring and hosting outbound and inbound students.

All proceeds from the Golf Putting Tournament support the RYE program of the Las Vegas Rotary Club.
