Dear Michael:

Thank you for your continued partnership with The Public Education Foundation. Your generosity is making a meaningful impact on our children's lives. Your donation of \$5,000.00, received on Friday, February 09, 2018, for support of the Executive Leadership Academy, is very much appreciated.

The Leadership Institute of Nevada has become a nationally recognized leader in quality executive leadership education and our participants are ready to create real solutions to the issues facing education.

We truly appreciate your generous contribution.

Sincerely,
