## MESSAGE FROM THE PRESIDENT

In my second meeting I presented my dad joke about vampires and stated that the Club was about ME (Membership Engagement). Our Club has a rich history of socializing and working on projects both home and abroad. That being said, the Past Presidents Committee ("PPC") Board and I do not know whether we are providing projects and social activities that the members want. We want to make sure that the Club is fun and that we are working on projects, and offering social activities that the Club members think are important. After discussing this issue with the Board and the PPC, we have determined that we should conduct a club survey to see what the members of the Club think is important.

This week Shawn Noorda sent each member of the Club a link to our club survey. We want your feedback to help us craft and ideal club experience for our members. We need your help to identify what you like and don't like about the Club. We are asking for your candid responses to the questions and welcome all constructive criticism about what could be improved or changed. The PPC, the Board and I will review your responses and report back to the Club what the results of the survey are.

I want to emphasize that we intend to use your responses as a guide for future activities. Based on your responses, we will develop an action plan for the Club that incorporates what you the members of the Club tell us that you like or dislike about the Club. We intend to continue, discontinue or change activities according to what you tell us. We want to ensure that our members are enjoying their Rotary experience. Participation is not mandatory, but your valuable opinion will not be incorporated into future activities unless you participate.

On behalf of the PPC and the Board I ask that you please take the time to participate in the survey.

James A. Kohl

• **Jim Tucker** reminded members there are still 3 ad spaces available in The Wheel for \$400/year.

• **PE Jackie Thornhill** energized the Club with the status of ticket sales including 7 tickets sold to members of the Green Valley Rotary Club for the new fundraising project – a raffle for a single prize of \$10,000, and ways to incorporate the Club Roster and The Wheel for 'show and tell' for potential new members.

• **President Jim** presented our speaker with a "Share What You Can" award to benefit a veteran in need and then adjourned the meeting.
