

## Steve Schmitt

### Catholic Charities Mission Overview

Steve Schmitt is a 3rd generation native of Las Vegas. His great-grandfather, Ed VonTobel, Sr., was one of the original founders of the Clark township and attended the original land auction in 1905. Steve attended St. Anne's Catholic School, Bishop Gorman High School (1983) and the University of Nevada, Las Vegas (1989); all on Maryland Parkway! He received his Masters at Villanova University in

Pennsylvania, which is a bit further away. Steve started his professional career as a stockbroker for Kemper Securities and, eventually, Smith Barney. This led ultimately to a career in banking, primarily with U.S. Bank in corporate and business banking. When the foreclosure crisis hit Las Vegas, Steve started a property preservation business to manage more than 120 properties owned by the banks. This resulted in him eventually becoming a Broker/Property Manager and the creation of several different residential property management companies throughout the valley. Steve has always been very involved in volunteerism, particularly in the Roman Catholic Church. After serving on its finance committee, Steve became the Business Manager for the largest Catholic parish and school in the Diocese of Las Vegas. He has been serving as Chief Operating Officer for Catholic Charities of Southern Nevada since February of 2018. Catholic Charities is the largest private social services agency in the State of Nevada, serving over 100,000 vulnerable men, women and children every year since 1941.

## MESSAGE FROM THE PRESIDENT

This week we will hear from Steven Schmitt of Catholic Charities. Catholic Charities and the Las Vegas Rotary Foundation, Inc. rely on charitable gifts to operate. As we head into the holiday season we will hear again the age old adage that it is better to give gifts than to receive them. As a child, I believed that my parents coined this phrase to make sure I got gifts for my brother and sisters.

Members of this Club freely give the gifts of their time, treasure and talent for the benefit of others. Is it truly better to give these gifts that to receive them as my parents taught me? The answer may surprise you. At first glance, feeding and clothing the needy does not appear to directly benefit the donor as there is no objective gain coming back to the donor. However, research shows that donating to charity makes you feel better. Knowing that you are helping others is empowering and, in turn, can make you feel happier and more fulfilled. Researchers have determined that making a donation to charity increases activity in the area of the brain that registers pleasure. Often times our participation in projects result in “Rotary Moments.” So it turns out the adage is true, and not something that my parents made up to make me buy gifts for my siblings.

This Club has the power to improve the lives of others, and we do so. As President, it has been my joy to hear the members report back each week about completed projects that benefitted the Las Vegas Valley; and to present checks to various charities that we have selected to donate funds to. The canned food drive is ongoing. The Halloween Party is this weekend. Santa Clothes and Opportunity Village are just around the corner. I encourage each of you to donate to, and to go to these upcoming events. You just might feel better about yourself.
