

Kimberly Mull

Advancing Response to Violence

The victim of domestic child sex trafficking between the ages of 11 and 13, as well as domestic violence and multiple sexual assaults, Kimberly is a survivor turned advocate. She holds her Masters in Victim Services Management and utilizes her more than a decade of experience working with victims of violence against women, including

over 400 sex trafficking victims, to influence policy makers and legislators in creating trauma informed victim focused policy.

Kimberly founded KMAC after a trauma inducing employer led to her realization that not all non-profits or mission oriented organizations are actually supportive of survivors working in the anti-violence field. Seeing the need in the corporate world, she wanted to create a survivor owned company that understands the intersectionality of business and victimization, develop practical solutions for employers and employees, and help foster a greater understanding for everyone in the #MeToo era.

MESSAGE FROM THE PRESIDENT

Our club has made such an impact on our community and the world through our contributions to our local Las Vegas Rotary Foundation and the Rotary International Foundation. Today I wish to follow up on the ways our club can qualify for the 100% Every Rotarian Every Year (EREY) banner. Melanie Muldowney presented this information last week. The details:

By considering what I am writing about, we can qualify for the Presidential Citation as well as the banner mentioned. We have already met the requirement of \$100 per capita, which means our club contributions to the Rotary International Foundation annual fund averages more than \$100. Check that box ✓. The other requirement for the banner is that each club member contribute a minimum of \$25 to the annual fund. This is where we are a little short. If you are giving to our local Foundation, thank you so much. If you are considering applying to receive you initial PHF or upgrade a level during our club match, this will qualify. If, you are not considering at this time, would you consider just giving \$25 to the International Foundation? We are also about to achieve our yearly goal of contributions to the International Foundation. Another checkbox ✓ for the Presidential Citation that your contributions will help achieve as well! Three goals achieved with a single contribution!!

The many projects of our International Foundation are too numerous to list here. Please go to rotary.org and click on Foundation to know just how our money is being spent. Here is just a small sampling of how your contribution will help our International Foundation with its work.

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.

- \$500 can launch an antibullying campaign and create a safe environment for children.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. Here is a breakdown of grants issued during fiscal year 2018 in the RI areas of focus.

We can really use your help. Please consider making a \$25 donation.
