MESSAGE FROM THE PRESIDENT

Today we have the pleasure of hearing four local high school students compete in our 4 Way Test Speech Contest. As Rotary was determining its path early in its founding, members became concerned about promoting ethics in their professional lives. Our 4 Way Test was created by Rotarian and Past International President, Herbert J Taylor in 1932. His 24-word test became for his employees a simple blueprint to follow in their business and professional lives. The 4 Way Test was a guide in all business disciplines such as sales, production, advertising and customer relations for their company which was facing bankruptcy. Since its adoption by Rotary in 1943, The 4-Way Test has been translated into more than a hundred languages and published in thousands of ways.

Here are those 24 words:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

In Rotary's 4 Way Test Speech competition, high school students are asked to write their perspectives of the 4 Way Test. "Understanding, appreciating, and expressing the true meaning of the Four-Way Test is the most important aspect of each speech. Many times, the students' thoughtful speeches unravel the complexities of the Four-Way Test in new and innovative ways." Over my 10 years of hearing the speeches, I certainly concur that the student interpretations are innovative. I have also noticed that depending on what is going on in the world at the time, some speeches reflect that environment. I have also found that some of the speeches are both true to the task while also entertaining and informative. I, and club members sitting around me have shared many of the same sentiments.

We were very fortunate and proud to have had the District winner of last years' event representing our club! I remember sitting in the ballroom in Anaheim and listening to all 5 competitors and just knowing that we had the clear winner. Her speech was as good as I had ever heard and her interpretation of the 4 Way Test resonated, certainly with the judges, but with everyone in the audience that day.

So, as we listen to the competitors today, I look forward in anticipation to what these students have written, their delivery, passion, enthusiasm and most of all we hope to see our future leaders whether here in Las Vegas or wherever their journeys take them. Of course, all the while remembering those 24 words and living by them in their daily lives.

In closing, I came across an article by Joseph Epstein posted on rotary.org, which I will quote the opening statement. "I only recently learned of The Four-Way Test, one of Rotary's central principles. It is of special interest in the current day, when truth — or, more precisely, truthfulness — seems to be losing its prestige in public life."
