

Dr. Melody Rose

Higher Education in Nevada

The chancellor is appointed by the Board of Regents to serve as chief executive officer for the Nevada System of Higher Education (NSHE). She supervises the eight NSHE presidents and ensures the Board of Regents policies are implemented throughout the system. As chancellor, she is the System liaison with the governor, state legislators, and other public officials and community leaders.

The Nevada Board of Regents unanimously approved the selection of Dr. Melody Rose as the chancellor of the Nevada System of Higher Education in June 2020.

During a 25-year career in higher education Dr. Rose has been a leader as an academic faculty member and administrator, who has focused on improving student access and success to higher education in Oregon.

Dr. Rose's leadership roles have included serving as the Chancellor of the Oregon University System, Portland State University's Vice Provost for Academic Programs and Instruction and Dean of Undergraduate Studies, and chair of Portland State University's Division of Political Science.

Prior to creating and running the consulting firm Rose Strategies, LLC, Dr. Rose most recently served as President of Marylhurst University from 2014 to 2019.

ABOUT NSHE

The Nevada System of Higher Education, comprised of two doctoral-granting universities, a state college, four comprehensive community colleges and one environmental research institute, serves the educational and job training needs of Nevada. NSHE provides educational opportunities to more than 100,000 students and is governed by the Board of Regents.

MESSAGE FROM THE PRESIDENT

Helpful Advice

How many times have you had occasion to realize that you had once been given good advice that would have been extremely helpful now, but at the time did not seem particularly important? As I was reading the current month's Rotary magazine and came to the short article near the end of the issue on tips for observing proper etiquette when in Taiwan for the next RI convention, my first thought was that until we make more progress on the virus, I wonder how many people will want to take an airplane flight that long. After the last RI convention was converted from live to on-line, we should all hope that this June Rotarians from our club and from around the world will be able to meet in person. In preparation for that, let us all start practicing what we will do when a host Rotarian approaches and says ganbei or hodala. Even if we do not make it to Taipei, the practice will be fun. Maybe we can convince Lawry's to open the bar after our Thursday meetings for group practice? There is much additional useful advice in the November issue, and I, for one, will reread the article "All the Rage" a few times to find ways to put that useful advice to work in my life.

For those of you who have not had the opportunity to participate in the webcasts that DG Greg Jones has been providing on the topic of diversity, equity, and
