

Annette Logan Parker

Cures & Prevention of Childhood Diseases

Annette is President, CEO, and co-founder of Cure 4 the Kids Foundation. She has worked in the healthcare industry for more than 30 years and has been involved with many nonprofit organizations since 1985. Her visionary leadership has shaped and strengthened the foundation, and its clinic, enabling it to continue to serve an increasing number of patients with diverse needs. She led the charge in the foundation receiving The Joint Commission Gold Seal of Approval® Accreditation. As a health care provider in the community, she was troubled by our health care delivery system when one of her two sons was in an accident, years ago, as a teenager. The incident required multiple surgical interventions, over 4 years, and she saw the complete exhaustion of her of medical benefits. Ultimately, research saved his life. This journey has inspired much of Annette's calling to ensure that kids receive the care they need, despite the ability to pay. It has also made her a huge proponent for clinical trials, as today's trial are tomorrow's best practices. In addition to her two sons, she a beaming mother-in-law and grandmother.

MESSAGE FROM THE PRESIDENT

Will It Build Goodwill and Better Friendships?

It is an unfortunate facet of humankind that we are drawn to misery and misfortune such that mainstream media is filled with unpleasant stories, social media is filled with vile and hateful rants, and even our conversations with friends and loved ones frequently take on a nasty tone. The current pandemic has only exacerbated that tendency, and our once every four years Presidential election nightmare grows uglier with each passing cycle. Is this the best that we can do?

We have no trouble identifying the shortcomings of various religious groups who preach love and kindness while their members do not regularly put that into daily practice. Why then do we not see the same shortcoming when we as Rotarians forget or ignore, principal number three in the Four-Way Test?

The Rotary Code of Ethics spells out how Rotarians are to conduct their business and professional lives, but the Four-Way Test covers

COMMITTEE SPOTLIGHT

The role of the club Rotary Foundation committee is to develop and implement a plan to support the Rotary International Foundation (TRF) through program participation and financial contributions through community and international service.

You can support TRF financially and through participation in one of its many programs. Through Foundation grants and programs, Rotarians and other contributors change the world. They can finance a well for a village that lacks clean water, improve the environment, or provide scholarships to educate the next generation. The grants and programs available to Rotarians allow them to realize Rotary's humanitarian mission throughout the world, including its top goal of eradicating polio.

The Rotary Foundation has three main program areas:

- Educational Programs
- Humanitarian Grants Program
- PolioPlus Educational Programs.

Through Educational Programs, The Rotary Foundation furthers international understanding by providing opportunities for students, educators, and business and professional people to experience another culture and develop long-lasting relationships with peers in other countries. Educational programs help participants learn about the needs of their local and world communities and the opportunities available through Rotary to address those needs.

The educational programs include:

- Ambassadorial Scholarships
- Group Study Exchange
- Rotary Centers for International Studies in peace and conflict resolution

In addition to contributions to TRF, the Las Vegas Rotary Club has hosted exchange students from around the world to study here in our city and learn about our culture. The Club has played an active role in the District 5300 Peace Conference and the late Dr. Garbis Der-Yeghian Peace Institute to promote peace initiatives within our district, including serving as a host in 2019. Our Club is currently working with a partner rotary club in Poltava, Ukraine to secure an international grant that will provide equipment and training materials for a center that cares for autistic children. Such efforts are made possible by the financial contributions of members like you, who are people of action and difference makers.
