COMMITTEE SPOTLIGHT

As we come to a close of the 2020-21 Rotary Year, the year associated with COVID-19 and significant changes in the way we do business, your Membership Committee is thrilled to say, in spite of the challenges, our Club gained 19 incredible, motivated and highly energized new members. As promised, we changed the way new members are inducted, including sponsor introductions of the inductees and family/friend attendance, as well as engaged more existing members in the orientation process. Three of our new members had the special honor of being inducted by our District Governor. With thoughtful pairings, the Mentorship program furthered the opportunities for new members to become engaged in Club activities and service.

The current RI theme 'Rotary Opens Opportunities' caused us to think of the opportunities we have when it comes to Membership. Once we started hybrid meetings, members reached out and 23 guests were invited to join us for lunch, each of whom received a personal email thanking them for coming and three becoming new members. We inducted our first Corporate Member, WestCare Foundation, with active participation by the corporate representatives; we inducted three individuals transferring from other clubs from out of state following leads from the Club Website; and an additional six new members as a result of proposals from club members, not to mention 36 individual interviews were conducted with prospective members.

The three New Member Orientations were well attended with no less than 25 people and as many as 32. Attendees were new members and, in some instances, their spouse/significant other, sponsors/mentors, and existing members. We had existing

member speakers providing valuable information about Foundation, Club projects, 25 Club and committee engagement. Mentors and sponsors were in attendance to answer questions and assist with the onboarding of our new members. These activities provided for a smooth transition of our new members to the Club.

For those on Leave of Absence, a team of five caring members reached out on multiple occasions to let our absent members know they are important, missed and were provided ways to stay connected to Club activities and meetings.

Membership consists of 6 subcommittees: Recruitment, Induction & Orientation, Mentorship, Membership Retention, Friends & Family of Rotary, and Attendance & Recognition. Each subcommittee is an integral part of the growth and success of the Club. The Membership Committee welcomes all members to get involved in expanding our Club's membership and serving on a sub-committee. The duties and responsibilities of each subcommittee are described in a document accompanying the Committee Sign Up sheets and will be distributed to all members in the new Rotary Year.

As we approach the end of this Rotary Year, we have the opportunity to remind ourselves why we joined Rotary and why we stay. Your Membership Committee hopes you take a moment to carefully consider your answer. Whether it is community service, a particularly meaningful local project, international service, leadership development, or fellowship with other Rotarians, it is up to us to find ways to get involved in activities that are important to us, be innovative and to continue with our "service above self" mission.

MESSAGE FROM THE PRESIDENT

Membership

We moved the "Committee Spotlight" feature to the front of this Wheel in recognition of the amazing work that committee has done this past year. When we set our club goals for the 2020-2021 Rotary year in May of 2020, we set a membership goal of not losing more members than we could add. As the virus played havoc with us this past year, there were many times when that club goal seemed overly optimistic, but not to our membership committee. Also, not to our existing members who hung in there and not to our newest members who joined us during a time when they could have been excused for waiting on the sidelines. Of all the club committees and projects that are to be congratulated for adapting and persevering this past year, none deserve more of our thanks than our membership committee.
