MESSAGE FROM THE PRESIDENT

The shortest distance between two points is a straight line. When going about anywhere, we typically like the most direct route. However, how do we often describe our lives? A roller coaster? Sometimes. Hill and valleys? Often. Mountainous terrain? Occasionally. A journey? Definitely. Our lives rarely go in a straight line. I know mine hasn't. Ups and downs. There's a lot of anxiety in the world today. The stock market saw the biggest decline since 2008 earlier this year. Inflation has hit 40-year highs. Russia is close to invading Ukraine. China is increasing its presence around the world and threats of a takeover of Taiwan is rumored. We're surrounded by turmoil all around us. Sometimes the course of life events can seem strange. One minute, things are normal—you're focused, meeting your goals, accomplishing tasks, even giving back to the community. The next thing you know, the unexpected completely interrupts your somewhat routine life. I remember learning about Dr. Victor Frankl when I was facing some heavy challenges decades ago. Frankl experienced first-hand the horrible atrocities that were forced upon the Jews in Nazi concentration camps and lived to speak about it.

He shares the truths he learned as a prisoner, including his ability to survive extreme physical and emotional hardships in what seemed like a hopeless situation. At the root of the theory is the value of helping others find their unique purpose in life.

"We who lived in concentration camps can remember the men who walked through huts comforting others, giving away their last piece of bread. They may have been few in number, but they offer sufficient proof that everything can be taken from man but one thing: the last of the human freedoms – to choose one's attitude in any given set of circumstances, to choose one's own way."

As Rotarians, we've learned that staying connected and giving service keeps us grounded, happy and extends our lives. There are countless ways for us to serve, including reading to kids, delivering wheelchairs, highway clean up, helping with our agricultural education programs and more. Through these acts, we can redefine or discover our life's purpose and help those that we are serving do the same.

We are constantly striving to become the best versions of ourselves, no matter what situation life throws our way. "When we are no longer able to change a situation, we are challenged to change ourselves." Rotary reminds us that through the trials and tribulations, the good in this world tends to outweigh the bad.

CONGRATS!!!

We missed our Executive Director, but she was having a blast! Our very own Shawn Noorda became a grandmother for the first time last week. Shawn's daughter gave birth to Lincoln Michael Mortenson on Wednesday, February 9th. At birth, Lincoln weighed 7 lbs. 6 oz. and was 19" inches. Congrats from all of us in the Las Vegas Rotary Club to Shawn and her family!
