MESSAGE FROM THE PRESIDENT

This is the last time I'll write to you as club president.

It's been the honor of my life to be your President. So many of you have shared kind words the past few weeks to say thanks or give compliments, but I could say as much to you. Robin and I are grateful for the opportunity you gave us to serve.

While I will no longer serve as president, I will, of course, continue my service to the BEST ROTARY CLUB IN THE UNIVERSE for many years to come.

A few weeks ago, members and friends have asked how I feel about leaving. And the fact is, 'parting is such sweet sorrow.'

The sweet part is no more president's letters, writing captions for all the pictures in the Wheel, coming up with other content for the Wheel, or having to be a few places at once.

The sorrow -- the goodbyes, of course, and leaving this position that enabled me to get to know so many of you so much more personally than I normally would.

While honored, I was quite surprised when I was asked to become president. I had just started another business, Camino Verde Group, I travel a lot and thought didn't have time to lead the club.

However, I have a strong belief in a heavenly Father who loves all of us. I know he wants us to be happy, learn and accept responsibility and grow. He needs us to help one another and alleviate suffering in our communities and throughout the world. He wants us to be kind.

So, when I was asked to serve as your president, I felt this was a calling, where I would share the unique gifts and energy with which I've been blessed to help do God's work alongside all of you.

My goal was to make our members and guest feel loved and always welcomed. I wanted each member to know that whatever level of service they gave was good enough. I wanted to do new things. I hoped to show the diversity and history of our community and bring more energy into our meetings.

Put My Experience, Knowledge
Service & Professionalism
to work for you!

PRESIDENT MESSAGE (CONT.)

I'm proud of the work we have done together in the past year. Our biggest challenge was finding our path out of COVID. Not only did we resume our important programs and services, but we welcomed 25 new members, started some new programs, initiated some good for the environment activities and raised more than \$170,000. Not too bad!

Our theme for this Rotary year was "Serve to Change Lives." Rotary International President Shekhar Mehta urged members to become more involved in service projects. We have worked together in the past year to serve our community in many ways, from helping schools and education to providing food, clothes and wheelchairs to the less fortunate to cleaning up our community. Our club makes a difference in the Las Vegas community. I will forever be grateful for this unique service opportunity.

Mike

ROTARY MEMBERSHIP

Rotary members provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Impact in our community and the world starts with our members — people like you who see a world where people unite and take action to create lasting change.

At club meetings in communities across the globe, our people of action come together to strengthen their connections to friends and neighbors and their commitment to improving other's lives. That is why our motto is "Service Above Self."

Community service is the central core of Rotary; however, members remain Rotarians in a good part because of friendships. It takes time and effort through fellowship to develop and sustain meaningful friendships. Friendships are also how we grow our club.

Our Rotary Club Membership Committee, chaired by Toni Kern and assisted by Tina Bishop the first half of the year and by Niki Bates the second half of the year, has done a wonderful job.

This year we have seen 25 members of our community join the club. These new members are already serving and leading in many important ways. It is so exciting to see. Our new members, including returning members, this year are:
