## MESSAGE FROM THE PRESIDENT

The theme of Incoming Rotary International President Jennifer Jones' year is "Imagine". It seems so appropriate as we begin our Centennial year. I try to imagine Las Vegas in 1923. A dusty railroad stop in the middle of the desert. It is shortly after the end of World War I and at the end of the Spanish Flu pandemic. The town's founders came from distant places and diverse backgrounds. What vision brought them here? What kept them here? And what would they think if they could see the city Las Vegas has become?

Seventeen of the town's leading businessmen came together and founded our Club to build friendships and improve their community.

Having been a member of the Club for a third of its history and since the beginning of women's membership, it is amazing to consider how much had changed and has changed since then and where we will be one hundred years from now. The Club like the City has seen lean times and great times and both continue to grow and thrive.

We have come through three difficult years that will change us all in ways we can't yet know. Though there are lots of things that need improvement the city is thriving and growing. Our club has a strong membership; some who have contributed their time, talent and treasure for many years and many who bring new ideas and energy to the Club. We have built a healthy endowment and have a rich legacy of service to the community. And they even let a girl be president! To misquote Randy Donald quoting Dr. Seuss "Just think of the places we can go!"
