## MESSAGE FROM THE PRESIDENT

Trying to compile a comprehensive list of projects that Las Vegas Rotary has accomplished over our history is a daunting task. Our early histories have little mention of specific projects other than our first project, helping a young Moapa boy who had lost his feet, or another early project, having lights installed on the high school football field. Both of these would have been a really big deal in the small town that Las Vegas was. But it was just a group of businessmen getting together to make their community a better place.

Through the years we have done a myriad of projects. We have built parks and playgrounds and planted trees, delivered wheelchairs, done highway cleanups, beach clean ups, made trips to Mexico on medical missions and to build homes, built homes for Habitat for Humanity, raised funds and made trips to India to help in the fight against polio, done canned food drives and delivered food, helped with farmer's markets, helped build school gardens, done Wine to Water events to provide clean water, we have done projects with and for Child Haven, the Boy Scouts, Girl Scouts, YMCA, Opportunity Village, we do military appreciation events. And then there is the work we do with our schools, helping on playgrounds, book drives, reading with students. Breakfast with Books, awarding scholarships, the valedictorian luncheon. Oh, and then there is Santa Clothes. And the list goes on. And there may have been a party thrown in here and there.

Our history has been to make our community a better place and to have fun doing it. I feel blessed to be among good people doing good things and having a good time!
