

Robert P. Finnegan, PE

President / Owner of Engineering Vegas

Founding partner Rob Finnegan started his career in 1976 as a draftsman and has practiced Engineering in Las Vegas ever since. Rob is involved with some of the most unique buildings and systems the city has ever constructed.

To provide innovation, Rob believes you have to think differently. This is how he consistently increases the benefit to owners concerning performance, reliability, and maintainability of his designs, all while protecting the environment.

Rob's past projects reveal a common approach of uncommon designs that continue to provide value to owners and the environment. Rob is licensed in 15 states and holds membership and governing positions in ASHRAE, Green Buildings Council, Clark County Building Board of Appeals, Tall Building Council, and NFPA, to name a few.

TELLING OUR STORY

Our Club's mission statement is **Teaching Youth to Succeed Through Literacy, Education and Life Skills Development**, What do we actually do in support of this mission?

Why are we always raising money?

Our Club sponsors an amazing list of programs in support of this mission in addition to our participation in Rotary International Programs.

We provide support for 6 at-risk schools, sponsoring and participating in literacy programs. We partner with Spread the Word Nevada to support a mentoring resource center at Beckley Elementary School. We sponsor a monthly breakfast event where each child present is given a book for their home library. And we provide individual grants to teachers for additional classroom materials.

Santa Clothes provides clothing and shoes for 350 elementary students during the holidays as well as a fun outing with UNLV athletes in the afternoon and a heartwarming experience for those of us who shop with them.

Summer Santa Clothes provides clothing, underwear and necessary toiletries for homeless high school students.

Our Thanksgiving Food Drive provides thousands of nonperishable food items for needy families through the Salvation Army.

Our annual Valedictorian Luncheon honors the top students at each high school in the valley.

We provide 3 scholarships to students attending UNLV.

Each year we provide sponsorship for the Mayor's Cup International Soccer competition for the top high school soccer players from around the world.

And we provide tens of thousands of dollars in grants to community organizations who provide services in support of this mission.

This is only about a third of the story. It doesn't include the other community projects that we support. And it does not include the projects that we support as a part of Rotary International.

More to follow!
