

J.B. Bernstein

Sports Agent

A “Genetically Wired Entrepreneur”, Bernstein has helped fund and successfully launch businesses in Packaged Goods, Trading Cards, Digital Content, Sports, TV, Supplements, Building Blocks, & New Tech. His most recent investment in AviSight, a leading drone based Industrial Inspection company, was so intriguing, he accepted the role of CEO and is ushering in a generational paradigm shift in the industry for Oil, Gas, & Power companies worldwide.

Additionally, Bernstein leads the team at NFThree, LLC, the world’s leading private labeler of advanced Goggle- Free AR and VR technology. They apply that tech to everything from NFTs to branded in store experiences.

As a 35+ year veteran of the sports marketing and packaged goods industries, Mr. Bernstein has been called an “Evolutionary Force Multiplier” in business and is widely respected for his creative problem solving and positive results. Bernstein’s early work includes positions with Grey Advertising, Procter & Gamble, Upper Deck, and Major League Soccer before starting his own sports agency.

As founder of Access Group of Miami, LLC, he has represented some of the greatest athletes of all-time including Barry Bonds, Barry Sanders & Emmitt Smith. Bernstein was responsible for creating groundbreaking programs such as Smith’s Run With History™ which is now the standard deal in NFL for milestone marketing. He also helped orchestrate Barry Bonds’ departure from the MLBPA licensing group, making him the first baseball player to successfully operate outside of their auspices.

Most notably, Bernstein co-created The Million Dollar Arm™ (Click Here To See The Real Million Dollar Arm Story) contest in India, which yielded the first 2 Indian men to ever sign pro sports contracts in the US. J.B.’s story was the subject of a Disney motion picture, released worldwide on May 16, 2014. The film starred Jon Hamm as Bernstein. J.B. serves as the chair of the Las Vegas Tiger 21 group, the premier peer membership organization for high-networth wealth creators and preservers, helping them navigate the challenges and opportunities that success creates. He also sits on the Board of Directors for Iqoniq and several other sports startups. Mr. Bernstein graduated the University of Massachusetts at Amherst and has also achieved graduate degrees from USC and LSE. Bernstein currently lives in Las Vegas with his wife and daughter.

TELLING OUR STORY

Our membership in Rotary International offers endless opportunities for service and fellowship in and beyond our local community. As part of District 5300 our club participates in several youth oriented projects.

Rotary Youth Leadership Awards **RYLA** is a leadership training program for high school juniors and seniors chosen for their leadership potential. Rotarians serve as facilitators to the students' learning and discovery and serve as role models.

Team Leadership Camp **TLC** is a program for outstanding eighth graders. The students interact and participate in activities with over 200 peers from Southern Nevada and Southern California.

The **Dan Stover Music Competition** gives high school musicians an opportunity to compete against students across out District at three levels for up to \$5000 in scholarships to pursue their musical education.

The George Hensel Ethics Essay Contest or **4-Way Speech Contest** challenges high school students to analyze ethical issues confronting them in today's complex world using the four Way Test as a guide. Students compete for prizes of up to \$5000.

The aim of **Rotary Youth Exchange** is to build peace one youth at a time. The program offers high school students the opportunity to learn a new language, discover another culture and build lasting friendships with young people from around the world. The students spend an academic year living with Rotarian host families.

And these are only the youth oriented programs that our Club participates in, a small part of our Rotary International experience.

GREEN OUR PLANET

A letter from Green Our Planet to the Las Vegas Rotary Club:

It was such an amazing day, wasn't it!? Thank you, thank you - from the bottom of our artichoke hearts - for ALL that you and your amazing team did to make the Giant Student Farmers Market such a success! We just love that The Rotary is a part of this. You make the day run so smoothly and you and your group are the hardest working volunteers ever!

The kids had so much fun and the schools did great - They raised \$11,361.23!! ☺ That is the highest grossing average per school that we have ever had!

I have attached some photos as well. Please share them with other Rotary members. The smiles on the kids' faces says it all! Each farmers market is a special day where lifelong memories are made. We may never know the full impact that this day had on each student, but without a doubt, this is an experience that they will never forget! smoothly and you and your group are the hardest

working volunteers ever! Thank you for being a part of it. We are so very grateful ♥
