PRESIDENT'S MESSAGE

One Hundred Years of Service

And they say Las Vegas has no history. But David Jones has been digging it up. Earlier in the year he wrote about our club's first project, caring for a young Moapa child who had lost his feet in a farm accident. He didn't stop there. David did more research and tracked down his surviving family and learned the story of Martin Eaton's life. It is fascinating and too long to tell here, but we will tell it.

David became fascinated and has compiled a long (partial) list of projects that we have done over the years and a partial list of members of the club who have done oral histories at Special Collections in the UNLV Library. We are still working on these lists and will be telling more of these stories in the coming weeks.

In 1936 when President Roosevelt visited Las Vegas to open Hoover (It was Boulder Dam then) he was hosted by local Rotarians. As they were taking him on a tour of Mount Charleston, they became stuck in the mud and almost missed the Dam ceremony. That probably was not one of our finest moments! In 1946 Max Kelch hosted a Rotary conference atop the dam. In 1936, the club provided the original turf and lights for Las Vegas High School Butcher Field. In 1987 Las Vegas Rotary Club was an early and strong supporter of the Polio Plus campaign, contributing \$115,000 that year alone.

In 1975, the 25 Club was established. Their project for our centennial year is to continue to collect and record the histories, and stories, of Rotarians who will continue our traditions for the next century!

MEET THE MEMBER

DAVID JONES

Tell us a little about yourself, your background, and work life.

I am a 3rd generation-born southern Nevadan. I was born and raised in downtown Las Vegas: 7th Steet & Bracken Avenue. I am the 7th of 8 children. I am a graduate of the original Las Vegas High School. I've been married to my wife, Sandi Taylor (also a native Las Vegan), for over 32 years. Sandi and I have three (3) adult children and 1-month old grandson, I work as a Wealth Management Banking Advisor for Northern Trust Company specializing in commercial real estate construction financing, life insurance premium financing for estate planning purposes, and jet aircraft financing.

Describe a special "Rotary moment" you've had.

Reading the 1920's "Las Vegas Age" newspapers and getting to know the original eighteen (18) Charter Members who formed our Las Vegas Rotary Club in 1923. Also, researching, documenting, and writing-up the Life Sketch of Joseph Martin Eaton—the "little boy with the severed feet." Martin Eaton needed prosthetic legs every two years or so and the Las Vegas Rotary Club provided financial support. Martin Eaton was the first official (and long-term) Las Vegas Rotary Club Project, starting in 1927.

What is your favorite book or movie and why it's special?

I have no favorites. But my family holds a monthly Family Book Club, so whatever we are reading that month is where I tend to focus. Lately, my favorite movies? I'll say . . . the 1950s and 1960s Sci-Fi atomic-bomb-themed "Schlock Classic" B-movies like, "Creature with the Atom Brain" (1955). It fascinates me to compare the parallels of today to those early Sci-Fi movie writers who were attempting to predict the future based on the fears and uncertainties of their day.

What's on your "bucket list?"

Perhaps, write a book: historical fiction. And start teaching "Grandpa David's Ski School" .

What's something(s) you are especially proud of?

1) Being fortunate enough to have my wife, Sandi, put up with me (and stay married to me) for over 32 years. 2) My family. 3) My own video-shorts and my aerial photography (along with the written research that supports them) that I post on my Facebook Page: "Las Vegas Aerial Perspectives." (See #7 below).

What's something about yourself that few people (today) know.

On one occasion I had over 25,000 people in a basketball arena booing, hissing, yelling, threatening, and violently throwing things at me for over three hours; including my best friend and my own brother.

Is there anything else you'd like to say?

I am an avid "Aerial Videographer and Photographer." In other words, I fly a drone to video and/or to photograph noteworthy locations in, and around, Las Vegas.
