

ROTARY INTERNATIONAL DISTRICT 5300 4-WAY SPEECH CONTEST

Rotary International District 5300 is composed of 64 clubs in Southern California and Nevada. The District annually conducts a Four Way Speech Contest to benefit high school age youth. The specific goals of the contest are:

1. To acquaint a large number of youths with Rotary and the Four Way Test.
2. To Demonstrate and enhance Rotary's Commitment to youth.
3. To heighten awareness of Rotary among youth, parents, schools and community.
4. To recognize, encourage and reward hard work and accomplishment among youth.

Eligibility:

Public, private and continuation high school students in grades 9 through 12 are eligible.

Theme:

The 2022-2023 theme is "Imagine Rotary". Any topic related to this theme will be acceptable, provided that it is not profane, obscene, unpatriotic or racist.

The topic of the speech must be specifically subjected to the Four-Way Test. This must be done in the body of the speech and is not to be reserved for concluding statements only.

History:

From the beginning Rotarians have been concerned with promoting high ethical standards in their personal and professional lives. The Four Way Test was created by Rotarian Herbert J. Taylor in 1932 (who later became RI President) when he was asked to take over a company going into bankruptcy. It was intended to be used by the employees as a guide for advertising, sales, production, and vendor/employee relations. It was adopted by Rotary in 1943 and has since been translated into hundreds of languages as a guide for members to be used in their daily interactions both business and personal.

PRESIDENT'S MESSAGE

Teaching youth to succeed through literacy, education and life skills development. It's what we do every week. Last week in conjunction with our Centennial Project a few of us were able to volunteer at The Smith Center. Well what we actually did was hold the doors open. As 1290 elementary, middle and high school students and their chaperones filed into Reynolds Hall to watch an hour long performance of KODO. And we got to see and hear their excitement as they entered the hall.

The students were engaged the moment the performance began. After a rousing opening the nine young Japanese performers talked about the history and cultural significance of the traditional taiko drums. The drummers were athletes and dancers as well as musicians. Their performance was choreographed like a precision dance team and kept the audience attentive til the end.

The Smith Center's organization behind the performance was also impressive. There were 3 different events taking place at the same time in the complex. Security was very visible. Everyone knew exactly where they were supposed to be. 15 school busses arrived at regular intervals from across the valley, as far away as Moapa. The students filed in and were escorted to their seats in the theater. We were escorted to seats upstairs. Everyone was precisely orchestrated and accounted for.

This week and next we will impact students in a different way as we host the 4 Way Speech Contest and the Dan Stover Music Contest.
