PRESIDENT'S MESSAGE

We may have put the Centennial Celebration behind us, but we are not done celebrating. This week we have events scheduled for two of our major projects.

Today will be our first Wetzel Award ceremony at Nellis in over three years. The Wetzel family will be in attendance. We have a large group going to the ceremony at the base. In two weeks, we will welcome this first group of airmen to lunch at the club. Many of our newer members have never experienced this event. The airmen we honor from Creech and Nellis are the unsung heroes behind the scenes who keep the bases running and the planes in the air.

And April 19 we have scheduled a back of the house tour of the Smith Center. Technical Director Jack Trace will be our guide. We will have an opportunity to see the work that goes into the shows they present in the different theaters in the complex and how they coordinate all the many types of productions. You will stand on the stage in Reynolds Hall and see that theater from a different perspective. We will learn more about the student productions that our Centennial project helps to sponsor, including the upcoming Nevada High School Musical Awards.

After our tour, we will go across the street to Vic's for Happy Hour. It's a new venue with great food, drinks and music and an old school clubby atmosphere. Join us for two interesting events and some fellowship and fun!
