# PRESIDENT'S MESSAGE

To have served as the 100th president of this club has been a great honor. This club truly is the greatest. And that is because of our membership. We have a great diversity in background and experience. There is an amazing resourcefulness and generosity of spirit. This has been true of the club since its beginning.

I have been fortunate to have been a member of this club for more than a third of its history, and seen it for thirty years before that as the daughter of a member (who never dreamed of being a member). As a new member I was inspired by the people I met and I continue to be still. I often hear people complain that you can't do something "just because it's always been done that way." I can assure you that is not the case. This club has changed so much, and survived many challenges because of its ability and willingness to adapt and evolve. Having not just survived, but thrived during the recent pandemic is a testament to that fact. And it is a testament to strong leadership.

I have been grateful for the wisdom and experience of the Past Presidents, and for the strength, effort and dedication of our Board; and inspired by the energy and fresh ideas of our membership. An organization won't have strong leadership without a strong membership. I believe our club attracts strong members because of our belief in the ideals of Rotary: the Four Way Test and our Code of Ethics. Rotarians believe the world can be a better place and strive to make it so. I believe these are qualities that bind us together and that allow the organization to endure and to evolve.

*Cathy*
