PRESIDENT'S MESSAGE

There is no greater calling than to serve your fellow man, no greater contribution than to help the weak, and no greater satisfaction than to have done it well. That's Rotary in a nutshell.

With over 1.2 million members worldwide, it's the biggest service organization on the planet. If you're a fan of the planet, that's just what Rotary wants to preserve. Members are working on helping save mothers and children, supporting basic education for children, and fighting diseases.

Rotary has no religious or national affiliation. We don't care what you believe or who you voted for. The way Rotary sees it, the most important thing is that we come together to accomplish some much-needed tasks for a group we like to call humanity.

Rotary efforts have already helped eradicate 99% of global cases of polio. Armed with a massive investment and partnership with the Gates Foundation, Rotary took on the incredible task of ridding the world of this crippling disease. No child need get it ever again. In addition to large-scale, international projects, Rotary clubs are always working to improve their own communities. Let me tell you the benefits I've personally seen from being involved in Rotary. You'll make local connections and will meet wonderfully diverse people from many walks of life.

- You'll make a global impact. Just look at the Global Grants involving clean water and medical aid.
- You'll see your work pay off locally. We are a funding source (community grants) and a volunteer source.
- You can inspire the next generation. We have amazing youth service leadership programs like RYLA, TCL, Interact.
- You can spend time with the Greatest Generation. Rotary includes members of all ages. If you're looking for mentoring, or just great stories, look no further.
- You'll get inspired. No matter what your motive is in considering Rotary, you will be inspired by guest speakers or performances.
- You'll put your energy where it's really needed. Consider the impact you could have joining a family of volunteers committed to doing whatever is needed to help the community.

Why did you join Rotary?
