Thank you to those who shared comments, including our Speaker Bill McConnell, about last week's President's Message, putting the pressure on this week. Another thanks to those who shared the value and interest in the information provided by our District Governor and each week through our Speaker Program.

Most of us are familiar with the reference to the "Twelve Days of Christmas" but did you know about the "Eleven Months of Rotary?" The monthly themes are meant to highlight the wide range of Rotary's good work and give clubs some suggestions, timing, and guidance for their programs and activities. October is 'Community Economic Development', which coincides in part with our Speaker Program – coincidental or intentional?

If you think about it, Rotary International has a profound impact on community economic development through its diverse range of programs and initiatives. Rotary's commitment to service, networking, and fostering goodwill has consistently contributed to the growth and prosperity of communities worldwide. Our club shares in that contribution toward Community Economic Development, whether directly by our members or indirectly through the financial support of our Club's Foundation.

Rotary's youth programs, such as Interact and Rotaract, focus on leadership development and community service. By empowering young people with leadership skills, Rotary fosters the next generation of community leaders who can drive economic development initiatives. Our Club sponsors the Interact Club at Clark High School and is exploring the possibility of resurrecting a Rotaract Club on the campus of UNLV which will serve as a significant part of the path to membership to a 'next level' Club.

Rotary leverages its vast network and resources to secure global grants for community projects. These grants often fund sustainable economic development projects like agricultural initiatives, vocational opportunities, and medical solutions. Only recently, our Club's participation in a 2017-18 global grant reported implementation, with 67 dental students in Nicaragua furthering their studies with new equipment and, through another grant with funds to a hospital in Vapi, India, expanded its vision service capabilities with a new optical biometer.

Rotary's commitment to education includes promoting literacy and providing scholarships. An educated workforce is better equipped to access higher-paying jobs and contribute to economic development. Our club's relationship with Spread the Word Nevada, get books into the hands of every child, through member participation in Breakfast With Books, Kids2Kids or Books & Buddies, as well as Nevada Reading Week, and our Tiberti Fellowship provides scholarships to Engineering Students at UNLV.

Rotary's efforts in disease prevention, such as eradicating polio, indirectly contribute to economic development. A healthier population can participate more actively in the workforce, reducing the economic burden of illness. Your contributions to the RI Foundation and Polio make a difference as mentioned by DG Soden last week.

Rotary's greatest strength lies in its ability to bring together community leaders, business owners, and concerned citizens. Through collaboration, Rotary clubs identify local economic needs and develop targeted solutions. We need only look to the efforts of our Canned Food Drive and the collaboration of Rotarians and Kiwanians as one example.

In summary, both our Club and Rotary International's impact on community economic development is multifaceted and far-reaching. Its commitment to service, education, infrastructure, and entrepreneurship, combined with its global network, helps communities build sustainable economies that improve the quality of life for residents and create lasting positive change.

# SCRIBE – SEPTEMBER 28, 2023

**President Toni Kern** called us to order at the announced early start time of 12:10. **Arleen Sirois** presented our invocation while our song leader was **Tonya Wagle** who led us in God Bless America. After the Pledge of Allegiance President Toni thanked the meeting helpers without whom our meeting could not run so smoothly including our **Sergeant at Arms, Rodney "GQ" Tucker**.

There were 0 international guests, 0 visiting Rotarians, 3 guests of Rotarians and 0 guests of the club. **President Toni** introduced the head table which included our guest speaker for the day **Bill McConnell, Mike Mewborn and Kirk Holmes**.

## Announcements:

**President Toni** started off by fining **Bhavan Singh** for wearing his fancy new cowboy boots. The question is will his cowboy boots replace his "J's" as his shoe of choice!? **President Toni** gave most of the announcements to save time. First, was our 25 Club announcement. Speaking for **Antoinette Moore**, the canned food drive is ON - let's win the contest AGAIN! For **Don Holland** she told us our next Wetzel award will be on October 12th. For **Gwen Hall** she reminded us the club is collecting candy to give to our schools for Halloween which really should be paid for by the National Dental Association if you ask me. **PP Karen Whisenhunt** gave us the final numbers for the mini-golf tourney which included 85 golfers and over \$3k raised. **Ryan Hamilton** had the low score so big props to him. For **Debi Howard**, **President Toni** told us about the Wine to Water event coming up on October 21st. **PP Jim Kohl** gave a quick Santa Clothes report in that he would love some help visiting other Rotary clubs among other things. Also, reminder: All funds donated to Santa Clothes by October 31st are doubled so please consider a generous donation by then! For **Greg Maguire** she reminded us about the UNLV tailgate on November 10th. **PP Jim Kohl** presented a check for \$5,000 to FIT from his law firm, Howard & Howard and Las Vegas Rotary Foundation.

We were excited to have our Rotary District Governor, **Michael Soden** in the house today, with his beautiful wife, **Sylvia Soden**. **DG Soden** gave us a run down on so many great things including our work to end Polio and the amazing district conference which will be a cruise to Ensenada June 21-24. As a reminder, in 1980 there were 370,000 Polio cases worldwide. Thanks, in large part to the work of Rotary, last year there were only SEVEN! We are really THIS close!

**Bob Werner's** lucky number was drawn but he did not pull the joker and thus did not get the over \$5,000 pot. **PP Karen Whisenhunt** got the Lawry's Bucks. **Arleen Sirois'** amazing book was won by **PP Jim Kohl**. **Mike "The Voice" Newborn** introduced our guest speaker **Bill McConnell** who is the COO for the LV Super Bowl Host Committee. Mr. McConnell shared some insightful information about the Super Bowl coming to Las Vegas February 11th. He also credited Las Vegas with saving the Pro Bowl which I think is probably due to the incredible ushers at Allegiant Stadium. After the presentation Mr. McConnell was presented with the Salute to Service Award which represents a donation made to the USO Military Family Support Programs and a copy of our amazing Las Vegas Rotary Centennial book. We were then adjourned at a punctual 1:29. Fun was had by all!
