

Erick Harper

Director of Athletics, UNLV

As UNLV's Director of Athletics, Erick Harper is charged with overseeing all aspects of the athletics department as well as the Thomas & Mack Center.

Under his leadership, a new strategic plan was announced in September 2022 that is aimed at helping deliver a premier student-athlete experience in college athletics and providing Rebels the opportunity to succeed as students, athletes and into the future as well-rounded community leaders.

The Rebels have excelled in both of those areas with Harper at the helm. In just two seasons, nine UNLV teams have claimed conference championships, with eight league Coach of the Year honorees and multiple teams earning NCAA Tournament bids. In addition, UNLV took back the annual Silver State Series trophy during the 2022-23 season by recording the third-highest score in the history of the competition, which is a formal head-to-head athletic and academic challenge between longtime rivals UNLV and UNR.

Following the Spring 2023 semester, UNLV student-athletes earned a collective grade point average of 3.0 or higher for a record 12th-straight semester. In addition, UNLV's student-athlete graduation rate has risen to a record 88%. UNLV Athletics also set a record for its Multi-Year Academic Progress Rate with a score of 987.

One of the first items Harper implemented after being named permanent AD was adding "empathy" as a core value of the UNLV Athletics Department to the pre-existing values of accountability, excellence, innovation, integrity and service.

Being a productive member of the community and giving back is important to Harper as he has shown in numerous ways, but most notably was through the athletics department's hosting of a Bed Build Day in 2022 in the parking lot of the Thomas & Mack Center. Partnering with nonprofit Sleep in Heavenly Peace, 100 beds were built to help Las Vegas youth that needed a comfortable place to sleep.

Harper currently serves on several boards, including the 2024 Super Bowl Host Committee, the Las Vegas Bowl Committee, MW Recognition Committee and the After-School All-Stars Committee. He was also recently named the Mountain West Directors of Athletics' Chair for 2023-24.

Harper and his wife, Dr. Patrice Hester-Harper, who holds three degrees (bachelor's, master's, PhD) from UNLV and is currently associate vice president for development and principal gifts for the university, have two daughters, Sydney (16) and Avery (7).

WHAT IS ROTARY?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

What We Have Accomplished.

DID YOU KNOW?

- **December Service:** 13 members volunteered at the Opportunity Village Magical Forest, providing a total of 48 hrs of volunteer service.
- **December NV Wheelchair "A" Team:** 14 volunteers unloaded 180 'pediatric size' wheelchairs from trailer to warehouse, providing 40+ hrs of service; and delivered a wheelchair to a special 86 yr old gentleman for an additional 3 hrs of service.
- **December Youth Program (TLC):** The Club sponsored eleven 8th grade students at weekend leadership camp.
- **Rotary Park:** Completed 1959-60, reclassified 2023 as a 'children's park' with improved City oversight. Wonder if 'the Paul Harris Friendship Tree' from 1982-83 or tree honoring PDG Joe Buckley is still there?
- **Las Vegas Rotary Greet the World curtain:** design created in 1963 & from 1964 graced stage of all meetings until 1998 & not seen again until the Centennial Celebration in 2023.
- **Cigar Social:** 2009-10 Pres. Karen Whisenhunt asked PP Jim Hunt to create the social, with idea of PP Michael Gordon sending cigars to troops in wartime.
- **Established:** 1975-76 25 Club; 2002-03 Wetzel Award; 2010-11 100% PHF Club; 2014-15 Club Mission Statement approved.

PRESIDENT'S MESSAGE

In recent years, there has been a notable surge in student participation and community involvement in school athletic programs across the United States. This heightened engagement can be attributed to several factors that collectively contribute to a thriving sports culture within educational institutions.

One key driver of increased involvement is the growing recognition of the holistic benefits that sports bring to students. Beyond physical fitness, participation in athletic programs promotes teamwork, discipline, and leadership skills. Parents and educators alike acknowledge the role of sports in fostering character development and instilling valuable life lessons. As a result, there is a collective push to encourage students to explore and join various sports offerings within their schools.

Additionally, the rise of sports scholarships and the competitive nature of college admissions have spurred heightened interest in school athletics. Many students see sports as a pathway to higher education, with athletic achievements enhancing their overall college applications. This has led to a greater emphasis on cultivating talent from an early age, prompting schools to invest in robust athletic programs that cater to diverse interests and abilities.

Community support has also played a pivotal role in the increased involvement in school athletic programs. Local businesses, parents, and alumni often rally behind their schools, providing financial support, sponsorships, and enthusiastic attendance at sporting events. This communal backing not only fosters a sense of pride but also contributes to the overall success and sustainability of school sports programs.

Furthermore, the widespread availability of information and media coverage has helped showcase the achievements of student-athletes, inspiring others to get involved. Social media platforms and local news outlets regularly highlight the accomplishments of school teams and individual athletes, contributing to a positive narrative that encourages greater participation.

The accomplishments in our own community of UNLV Athletics and the many forms of sports, from football and basketball (men's and women's teams) to tennis and golf (both men's and women's teams) and volleyball, to name a few, demonstrate the impact of the heightened interest in school athletics.
