

## Roger Tabor

*City of Las Vegas Mayors Cup  
International Soccer Tournament*

Roger Tabor is a proud Las Vegas native. As an alumnus of Bishop Gorman High School and UNLV, he has many relationships in Las Vegas that span over six decades. For 35 years, he was a registered investment advisor specializing in fiduciary investing. He joined the North Las Vegas Rotary in 1988 and switched to the Downtown Las Vegas Rotary Club a few years later. He has served as Club President of both clubs and in every board position. He has been recognized as "Rotarian of the Year" by the Downtown Club. Retiring in 2019 allowed him more time for his passion- providing soccer opportunities for local youth.

Soccer has always been a big part of his life. Playing on the first local youth soccer teams at 7 years old, his career culminated with being named Captain for UNLV Men's Soccer team. After several years of coaching, Roger founded the Downtown Las Vegas Soccer Club where he has volunteered as Board President since 2004. He formed the club to reduce costs, blend cultures, and provide more opportunities for kids. He had a vision to combine the world's most popular game with the world's most popular destination. Today, the Las Vegas Mayor's Cup attracts 1400+ teams, over three weekends, from 43 countries and 44 states. The event has a \$65 Million economic impact on the local economy.

Roger has been married to his wife, Amy, for 35 years. They have 3 adult sons: Trenton, Colin, and Griffin. All are Paul Harris fellows. Trenton is also an active member of the Lawrenceville (PA) Rotary Club.

## WHAT IS ROTARY?

*Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.*

### What We Have Accomplished.

#### DID YOU KNOW?

- **December Service:** 13 members volunteered at the Opportunity Village Magical Forest, providing a total of 48 hrs of volunteer service.
- **December NV Wheelchair "A" Team:** 14 volunteers unloaded 180 'pediatric size' wheelchairs from trailer to warehouse, providing 40+ hrs of service; and delivered a wheelchair to a special 86 yr old gentleman for an additional 3 hrs of service.
- **December Youth Program (TLC):** The Club sponsored eleven 8<sup>th</sup> grade students at weekend leadership camp.
- **Rotary Park:** Completed 1959-60, reclassified 2023 as a 'children's park' with improved City oversight. Wonder if 'the Paul Harris Friendship Tree' from 1982-83 or tree honoring PDG Joe Buckley is still there?
- **Las Vegas Rotary Greet the World curtain:** design created in 1963 & from 1964 graced stage of all meetings until 1998 & not seen again until the Centennial Celebration in 2023.
- **Cigar Social:** 2009-10 Pres. Karen Whisenhunt asked PP Jim Hunt to create the social, with idea of PP Michael Gordon sending cigars to troops in wartime.
- **Established:** 1975-76 25 Club; 2002-03 Wetzel Award; 2010-11 100% PHF Club; 2014-15 Club Mission Statement approved.

## PRESIDENT'S MESSAGE

Over the past few decades, youth soccer in the United States has experienced remarkable growth, transforming into a major force in the country's sports landscape. The surge in popularity can be attributed to various factors, contributing to the sport's widespread appeal among young athletes and families.

One key driver of the growth is the increased visibility of soccer at the professional level. Major League Soccer (MLS) has expanded its presence, attracting international talent and fostering a homegrown player development system. The success of American players abroad, coupled with the global appeal of European leagues, has inspired aspiring young athletes to pursue soccer as a serious career option.

Additionally, grassroots initiatives and community-based programs have played a pivotal role in nurturing young talent. Local clubs and academies provide structured training environments, emphasizing skill development and fostering a love for the game from an early age. The proliferation of youth leagues and tournaments across the nation has created a vibrant ecosystem for aspiring soccer players to showcase their abilities and compete at various levels.

Furthermore, the inclusivity of soccer has contributed to its growth. The sport welcomes participants from diverse backgrounds, making it accessible to a broad spectrum of communities. Initiatives promoting inclusivity and diversity in soccer have helped break down barriers, allowing more youngsters to engage with the sport and contribute to its expansion.

The Las Vegas Rotary Club has been a part of fostering the love of the game having hosted international youth teams in the Mayor's Cup since 2006-07 during PP Brock Fraser's year and the efforts in coordination from PP Karen Whisenhunt. As the popularity of soccer continues to soar, the future looks promising for the development of young talents and the overall advancement of the sport in the country.
