

Linda Bertuzzi

*Exemplary Rotarian and
the 2024 Cebu City Rotoplast Mission Historian*

Affectionately referred to as a Rotary cult leader, Linda Bertuzzi has been a shining ambassador for 31 years for the Rotary organization, exemplifying Rotary's motto of Service Above Self. Her passion for making a difference is unwavering and evidenced in her many trips to India to help eradicate polio, building homes in Mexico, or simply organizing book drives for kids to improve literacy in her own community.

Now she has added a Rotoplast mission to her achievements by serving as the Mission Historian on the recent Cebu City Rotoplast Mission sponsored by District 5300. It was a 2-week program, February 25th to March 9th, which focused on providing free reconstructive surgery and ancillary treatments for cleft lips, palates, burn scarring and other deformities. There were 8 non-medical volunteer positions open to Rotarians and Rotaractors; Linda was selected to serve as the Mission Historian.

She is a bit of a taskmaster and expects as much from herself as she does from others. Her commitment to service resulted in the co-founding of the Las Vegas After Hours Rotary Club in 2019 after serving 25 years in the LV Downtown Rotary Club. The new Club is comprised of members equally willing to serve with the same integrity and passion. With an evening Club format and a focus on hands-on service for children and families, this led to the Club's perfect motto of Service, Social & Fun! A special note of thanks to the Las Vegas Rotary Club for their generous sponsorship of the After Hours Club when it was chartering in 2019!

At the District level, Linda has served on several committees, with her favorite being the Chair of Presidents' Advance for the last 10 years. This is a midyear, multi-day retreat held annually for current Presidents and Presidents Elect to recharge. While Linda's passion is Rotary, her love is her 32-year-old daughter Sarah, who is an educator in the Las Vegas area.

PRESIDENT'S MESSAGE

Rotoplast Missions, spearheaded by Rotary Clubs worldwide, epitomize the power of humanitarianism, collaboration, and innovation in addressing a crucial global health issue: cleft lip and palate deformities. These missions represent a beacon of hope for countless individuals in underserved communities, offering life-changing surgical interventions and comprehensive care. Today we hear, firsthand, from our speaker about the impact following her recent return from a Roplast Mission.

At the heart of Roplast Missions lies a profound commitment to transforming lives. Rotarians, alongside skilled medical professionals, volunteer their time, expertise, and resources to conduct surgical missions in regions where access to specialized healthcare is limited or nonexistent. These missions often take place in remote villages, urban slums, and marginalized communities across the globe, ensuring that those in need receive timely and quality medical care.

The impact of Roplast Missions extends far beyond the operating room. By providing free surgeries, post-operative care, and rehabilitation services, these missions empower individuals to lead healthier, more fulfilling lives. Children born with cleft lip and palate deformities face significant challenges, including difficulties in eating, speaking, and social integration. Through Roplast Missions, these obstacles are overcome, enabling patients to thrive and reach their full potential.

Moreover, Roplast Missions foster cross-cultural exchange and understanding. Volunteers from diverse backgrounds come together, transcending geographical and cultural barriers to serve a common humanitarian cause. In doing so, they not only bring healing to those in need but also cultivate enduring friendships and partnerships that transcend borders.

The sustainability of Roplast Missions lies in their capacity-building efforts. Local healthcare professionals are trained and equipped to address cleft lip and palate deformities within their communities, ensuring long-term impact and sustainability. Through education and training programs, Roplast Missions leave behind a legacy of empowerment, enabling communities to become self-sufficient in addressing healthcare challenges.

In essence, Roplast Missions exemplify the Rotary Club's motto of "Service Above Self." They embody the spirit of compassion, collaboration, and commitment to making a tangible difference in the lives of the most vulnerable. As Rotarians continue to champion these missions, they sow the seeds of hope and healing, creating a brighter future for generations to come. As our speaker aptly stated, 'You are part of something that forever improves lives'.
