

Michelle Romero

Mayor of Henderson

Michelle Romero was elected Mayor of Henderson in June 2022 and took the Oath of Office on January 3, 2023. She was elected at-large to the Henderson City Council in April 2019, representing Ward I.

Mayor Romero serves with her fellow council members as the legislative branch of the Henderson community, responsible for setting policies and making decisions for many aspects of local government for Nevada's second largest city, recognized as one of the best places to live in America and one of the nation's safest cities.

Mayor Romero represents the City of Henderson on the Board of Directors of the Las Vegas Convention and Visitors Authority, Las Vegas Global Economic Alliance, Civilian Military Council, as one of the Chief Local Elected Officials overseeing the Board of Workforce Connections and as the Council representative to the Henderson Audit Committee.

Prior to her elected service, Mayor Romero served the City of Henderson for 25 years in several capacities, most recently as the Henderson Redevelopment Agency Manager from 2007 until 2016. In this role, Romero led a team of professionals who indelibly changed the face of the Downtown Henderson/Water Street District and other maturing areas of the city. Her responsibilities included managing all services and activities of the Redevelopment Agency and the five Redevelopment Areas, which include Downtown, Cornerstone, Tuscany, Eastside and Lakemoor.

As manager of the Redevelopment Agency, Councilwoman Romero oversaw the renaissance of the Water Street District, resulting in new housing and retail opportunities, jobs, and entertainment venues. Additionally, she oversaw the creation of both the Eastside and Lakemoor Redevelopment Areas, the completion of infrastructure improvements in Tuscany, and the negotiation of Owner Participation Agreements for tax increment reimbursement for the Cadence, Union Village and Henderson Hospital projects, each of which is expected to bring thousands of jobs and billions of dollars in investment to the city. She serves on the Community Advisory Board for Henderson Hospital.

Mayor Romero worked with local businesses to form the Water Street District Business Association and brought the Super Run Car Show to Henderson in 2000, which annually generated millions in visitor spending in Henderson. She led the creation of the Farmers Market at the downtown events plaza in 1999 and managed the Agency's creation of numerous financial assistance programs that have successfully encouraged business owners, residents and developers to reinvest in aging areas of Henderson. A native of Henderson, Romero graduated with a bachelor's degree in public administration from Upper Iowa University and is the owner of Michelle Romero Consulting, which specializes in Redevelopment, Economic Development and Planning issues.

Married to her husband Ben Romero since 1986, Mayor Romero has four sons who were raised in Henderson and nine grandchildren.

PRESIDENT'S MESSAGE

At the April 4th 25 Club meeting, attendees had an opportunity to learn about Rotary International through PP Karen Whisenhunt. The information provided is noteworthy for us all and I would like to share a portion of it with you and thank you PP Karen.

PolioPlus – Rotary International's Signature Project

- 1979 a multiyear pilot project began by immunizing 6 million children in Philippines.
- 1985 Rotary began an initiative to Eradicate Polio from the face of the earth.
- To date \$2.1 billion have been donated by Rotarians to eradicate polio which includes matching funds from the Gates Foundation and is 99.9% eradicated, with only Afghanistan and Pakistan remaining.
- Rotarian volunteers have spent hundreds of thousands of hours coordinating and participating in National Immunization Days including going door-to-door if necessary.
- Along with our partners such as United Way, government entities and the Gates Foundation, to date, 2.5 billion children have been immunized.

Global Scholarships

- Each year, our district selects 2-5 candidates for Global Scholarships, depending on the budget. The scholarship is typically for a Masters or PhD program and candidates must study abroad.
- The scholarship is \$30K and costs our Club \$1,000 if a candidate from our club is accepted.
- We have hosted or sponsored many scholars through the years including Michael Gordon who came to us from South Africa and more recently, Chantay Ben Shimon, who studied Peace and Conflict Resolution at the Tel Aviv University in Israel. Fortunately, Chantay completed her studies before the war broke out BUT was still in Israel working. After a few weeks of hiding out in bomb shelters, she was able to evacuate and is now safely back in Las Vegas.

Global Grants

- Grant minimum is \$30K and requires a host club and a sponsoring club in another country. Club funds are matched with the District. District funds are matched at 80% with TRF so your \$100 donation equals \$280 towards an international Global Grant.
- Global Grants, including scholarships, need to fit within the guidelines of Rotary's 7 areas of focus and be sustainable. They are: Water, Sanitation and Hygiene; Peacebuilding and Conflict Prevention; Disease Prevention and Treatment; Maternal and Child Health; Basic Education and Literacy; Community Economic Development; and Environment.
- We have participated in many GG's over the years, some as high as \$500K for the entire grant. Examples include: Fire truck and ladder to Ukraine; medical supplies to Ukraine; adopting a village in Cambodia; and mosquito treated netting for pregnant women in 14 African nations.
- Organizations that started through Rotary include ShelterBox founded by a Rotary Club in Cornwell, UK in 2000, providing shelter for over 1.5 million people in over 100 countries and Easter Seals, founded by Rotarian Edgar Allan from Ohio, with help from Rotarians. RAGS, Fellowship Groups and District hands-on projects.
- Members can privately join RAGS/Fellowship Groups based on common interests. Learn more about both by visiting the Rotary.org website.
- Members can participate in SuperBuild in Tecate, Mexico and any international project the current District Governor may choose to participate in during their year.

*So, thank you Rotarians for your support in the Rotary Foundation.
Together, we do make a difference.*
