

Las Vegas Rotary Club Tiberti Memorial Scholarship

I am incredibly honored and grateful to be a recipient of your scholarship. Your generosity will allow me to focus solely on my education and my family's health. It'll alleviate any additional financial burden on my family due to educational expenses. This scholarship brings me closer to obtaining my mechanical engineering degree, which is a step toward achieving my career, financial, and personal goals. I hope to one day apply the knowledge gained throughout my education to make a meaningful impact on my community and their lives. Thank you again for your generosity and for allowing me to achieve my dreams; I hope to one day help others as much as this scholarship will help me.

Thank you so much for nominating me as your scholarship awardee. I understand that this is not only an opportunity, but also a scholarship of deep trust and hope, and I will make sure you know that I will put it to good use in pursuing my dreams of making a better future for not only myself but the world. I am so ecstatic to receive this, and I hope that I won't disappoint with my future efforts with this given. This scholarship will help lift the financial burden off of my family so that I can pursue higher education without financial worries, and will help my mom be able to support and focus on my other 2 sisters as they are also getting through higher education. No words can express my gratitude for your generosity, and I hope to continue to work hard so that this won't be the last time you see me. Thank you so much for this award again, and I hope to stay in touch to let you know about my future endeavors.
