Garrett Fehner

Park Supervisor of Ice Age Fossils State Park

Garrett Fehner is the Park Supervisor of Ice Age Fossils State Park, Nevada's newest (and soon to be most famous) state park. He began his career as a park ranger in his home state of Maryland before seeking out far less humid climates out west, first in Santa Fe, then Albuquerque, and then finally in Las Vegas. Garrett started with Nevada Division of State Parks in 2014 as the Park Interpreter at the Old Las Vegas Mormon Fort – the site of the first non-native settlement in southern Nevada.

When Ice Age Fossils State Park was designated in 2017, Garrett jumped at the opportunity to use his educational background in history and

interpretation to help imagine a new park. Over the next six years, Garrett was deeply involved in the planning, design, and construction of all park infrastructure, including the visitor center and hiking trails. Now officially open to the public, Garrett relishes the daily opportunity to share the unique stories of Ice Age Fossils State Park with visitors. Garrett also loves hiking and talking about hiking with anyone who will dare ask him for recommendations

President's Message

Innovation, for us as Rotarians, isn't just about new technology or trends, it's about a mindset. It's the commitment to always seek better ways to serve, connect, and lead in an ever-changing world.

In Rotary, innovation means:

- Challenging traditions when traditions no longer serve our purpose.
- Listening first, then responding with solutions that are forward thinking and inclusive.
- Collaborating across generations and backgrounds to spark fresh ideas.
- Reimagining service, not as something we've always done, but what we can do better.

In Las Vegas, innovation is in our DNA:

- This is a city that transforms itself constantly, reinventing its skyline, its industries, and its identity.
- It's a place where people come to dream big, take risks, and push limits.
- It's also a community with real needs—beyond the neon lights—where innovation in service is essential: housing, education, sustainability, youth empowerment.

Rotary is where tradition meets transformation. In Las Vegas, we honor both—and we're not afraid to ask, "What's next?"

Rotary History

THE \$26.50 INVESTMENT WORTH BILLIONS

At the 1917 convention, outgoing Rotary president Arch Klumph proposed setting up an endowment fund "for the purpose of doing good in the world." After that call to action the endowment received its inaugural contribution of \$26.50 from the Rotary Club of Kansas City Missouri.

In 1928, with assets exceeding \$5,000, the fund was officially renamed the Rotary Foundation. The Foundation issued its first grant in 1930 of \$500 to the organization that later grew into the Easter Seals.

Today the Foundation exceeds \$4.4 billion and for the 16th consecutive year, has received the highest rating – four stars – from Charity Navigator, an independent evaluator of charities in the U.S.

Arch Klumph on the cover of the September 1916 issue of The Rotarian. In his message, he reminds members that "Rotary is bigger than any one man, than any board of directors."

16 YEAR COMPETITION WHERE EVERYONE WINS

Major Kyle Smith of the Salvation Army will give a brief presentation to the Club on October 9, highlighting the impact of the Canned Food Drive on our community.

The Salvation Army plays a vital role in serving the homeless by providing meals, groceries, and emergency shelter across the Valley. To support this mission, the Las Vegas Rotary Club and the Kiwanis Club launched a friendly competition in 2009 to collect both donations and canned goods.

Each year, the effort culminates in a joint meeting held the Wednesday before Thanksgiving, where the results are revealed, the trophy is passed to the winning club, and—most importantly—the Salvation Army gains the resources needed to continue their critical work.

Last year, thanks to the incredible generosity and determination of our members, we raised \$28,000 to fuel our mission.

Let's rise to the challenge again! Every dollar donated or fundraised brings us closer to matching—and even surpassing—last year's impact. Together, we can make a lasting difference.

Member Spotlight

Tom Krob

President E2 Consulting

PP Tom Krob has been a member of this Club for 39 years and served as president 2000-2001. Many of the things we recognize in our Rotary experience today were initiated in his year as President. It was the year that we moved our meetings to Lawry's the Prime Rib, adopted Walter Bracken Elementary School, and navigated Rotary International's use of a new communication tool – the internet. His impact as Co-chair of Santa Clothes has been invaluable.

Tom is a professional engineer and has been licensed in 14 states, beginning his first engineering firm in 1986. In addition to Rotary, he is on the Salvation Army Advisory Board, Governing Body Vice President of

Beacon Academy Charter School, and a member of the Las Vegas Boy Scout Council Advisory Board.

He and his wife Jane have hosted many Rotary parties and international guests though the years including Open World, the Mayors Cup and of course the upcoming Cigar Social. They have two children, Brian and Melanie and four wonderful grandchildren, all girls!

Fun Facts: Tom's golf game is no joke—he's nailed not one, but TWO holes-in-one! And while most people hide from the heat, Tom actually loves it—it's his perfect kind of weather!
