President's Message

This month, the Rotary Club of Las Vegas is proud to focus on the theme of "Economic Future."

We've aligned a series of powerful speakers who bring insight, innovation, and vision—helping us better understand the economic challenges and opportunities shaping our community.

Even as Las Vegas faces a dip in tourism, our outlook remains optimistic. Las Vegas is taking bold steps to diversify beyond tourism and gaming, laying the foundation for a stronger, more resilient economy through innovation and investment in new industries.

The Rotary Club of Las Vegas continues to lead with purpose—adapting to community needs, staying grounded in our mission, and creating awareness around initiatives that make a real difference.

We proudly support those in need and champion the causes that build a stronger, more resilient future for our city.

Supporting Our Community in Times of Crisis

We're proud to share that **Don Holland** recently completed his intensive Trauma Intervention Program (TIP) training, passed the practical exam, and received his credentials. Don's next step is a three-month field training period, responding alongside seasoned volunteers.

Don first learned about TIP when they gave a presentation at one of our club meetings — and now he's stepping up to make a difference when people need it most. Congratulations, Don!

Rotary History

Rotary's First Grant: A Legacy of Hope and Healing for Polio victims.

The Rotary Foundation's story of service began with one man's determination to turn tragedy into hope. In 1907, Ohio businessman and **Rotarian Edgar Allen** lost his son in a streetcar accident. During the experience, he discovered that many children with disabilities were hidden from society without access to care. Heartbroken and compassionate, he raised funds to build a hospital and founded what would become the Easter Seals.

His work led Rotary International to award its first grant from the RI Foundation — \$500 — to his organization whose early work focused on aiding children affected by polio, providing braces, therapy, education, and training for medical professionals when no vaccine existed.

That first act of giving improved countless lives and planted the seeds for **Rotary's enduring commitment to fighting polio** — a mission that continues to change the world today.

Closing in on a Polio-Free World

As we approach **World Polio Day - October 24**, it's worth celebrating how far we've come, the successes we have had — and why we must keep going.

- Of the three strains of wild poliovirus, only Type 1 remains in circulation. Type 2 was declared eradicated in **2015**, and Type 3 followed in **2019**.
- Currently polio is endemic in only two countries: **Afghanistan and Pakistan**.

But the job isn't done. If eradication efforts stopped today, **polio could paralyze as many as 200,000 children each year** within a decade. Together, we can ensure that never happens — and make history by wiping out polio for good.

Rosalee Hedrick

Vice President/Business Development Officer

When it comes to connecting people and powering possibilities, **Rosalee Hedrick** is a force of nature. As Business Development Manager for Nevada State Bank's Small Business team, Rosalee goes beyond traditional banking — she builds relationships, solves problems, and helps entrepreneurs turn big ideas into thriving realities.

Rosalee has made community involvement her calling. She currently serves as **President of the Las Vegas Rotary Club Foundation Board of Trustees** and has worn many hats within the club — from **Corporate Membership Chair** to **Speaker Chair** — always bringing fresh energy and thoughtful leadership. She also curate's exclusive quarterly tours, giving

us behind-the-scenes access to remarkable places rarely open to the public. Her dedication extends beyond Rotary, too, with past service on The Shade Tree Board of Directors, active participation in CCIM, SIOR, and NAIOP, and hands-on work teaching financial literacy to young people and women in need.

When she's not opening doors for others, you'll likely find her hiking a new trail or exploring the world one trip at a time.

Fun Fact: Rosalee once traded balance sheets for bright lights — starring in a **Budweiser commercial** in the '90s. Cheers to a truly well-rounded career!
