## David Cheikin and Andrew Lanzino

### AREA15

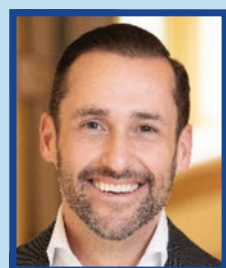

**David Cheikin** serves as **Head of Real Estate for Fisher Brothers**, a fourth-generation real estate company that owns, manages, and operates an 8 million square foot portfolio of office buildings, residential buildings and entertainment complexes across the United States.

Since joining the firm in 2023, David has overseen the company's asset management, leasing, property management, security, and engineering groups for Fisher Brothers commercial and residential portfolio. David's team also runs Ease Hospitality, Fisher Brothers' luxury amenity, meeting, and conferencing platform.

Cheikin has almost three decades of experience in strategic real estate initiatives, including ground-up development, large-format redevelopment, leasing, and investment management. Before Fisher Brothers, he was Executive Vice President at Columbia Property Trust and prior to CXP he spent 16 years at Brookfield Properties, serving most recently as Executive Vice President and Head of the New York and Boston regions. His prior asset management and leasing projects include the ground up development of the 7 million square foot Manhattan West NY, repositioning of the eight million square foot mixed use project Brookfield Place NY and the transformation / updating of the multi-sector Potsdamer Platz in Berlin, Germany.

Cheikin holds an MBA from Washington University in St. Louis (2003) and a Bachelor of Arts in Economics and Environmental Studies from the University of Rochester (1997).

**Andrew E. Lanzino III** is the **Chief Growth Officer of AREA15**, where he architects the strategy, experiences, and revenue engines driving one of the most innovative entertainment campuses in the world. He leads the evolution of public programming, membership, guest experience, retail, partnerships, and immersive concept development, positioning AREA15 for its next era of expansion.

A strategist with a bias for action, Andrew has spent more than two decades transforming organizations across entertainment, hospitality, retail, healthcare, and education. Before joining AREA15, he served as SVP of Strategy and Citywide

Events at MGM Resorts International, directing enterprise strategy and overseeing Las Vegas' largest showcases, including the Formula 1 Las Vegas Grand Prix and Super Bowl LVIII.

Andrew's operational edge was forged in the U.S. Air Force during Operation Enduring Freedom and Operation Iraqi Freedom, where he coordinated high-stakes logistics for Air Force One personnel and press. Clarity under pressure and execution without hesitation still drives how he leads.

In addition to his executive work, Andrew is the author of *Apex Competitor*, a strategy book published by Financial Times and releasing in early 2026. He teaches strategic management at UNLV, speaks on competitive advantage and organizational design, mentors emerging leaders, and advises nonprofits on long-range strategy.

He holds an MBA and a Bachelor's in Finance from UNLV and is currently pursuing his PhD with a focus on strategy, tourism, and governance.

## President's Message

Rotarians emphasize a strong sense of community, often referring to one another as "family" or part of a global family." This sentiment is especially highlighted during the holiday season and throughout December. It is expressed in club communications and events, underscoring the bonds of fellowship and shared purpose among members—year-round, and especially during times of celebration and giving.

Be sure to support our Las Vegas community by enjoying our dynamic annual events, including holiday-themed attractions such as Glittering Lights at the Speedway, Ethel M Botanical Cactus Garden Lights, Magical Forest, and Enchant Christmas.

"As we gather for the last meeting of our Las Vegas Rotary Club this year, let us reflect on the many positive events and cherished memories of the past months, celebrate this joyous season, and look forward with excitement to a new calendar year."

Wishing every Rotarian, along with their friends and family, a joyous and prosperous New Year!

*Janice*

## Say Hello!

### Meet our new 25 Club President, Elliott Harris.

From island beginnings to the world's biggest economic stages, Elliott Harris brings a truly global story to our Rotary family. Born in the Bahamas and raised in Trinidad, Elliott studied German, Russian, and International Relations at the University of Miami and Georgetown University before wisely pivoting to economics in Germany. That decision launched a remarkable career: 25 years with the International Monetary Fund in Washington, D.C., followed by a move to the United Nations in New York, where he retired in 2021 as Chief Economist. Not a bad career "course correction."

Las Vegas has been part of Elliott's life since 2014, with a permanent move in 2023 after years of commuting from New York. He enjoys the city's culture, especially classical music and dance. A lifelong singer, he once performed for Pope John Paul II. We're delighted to have his global perspective in Las Vegas Rotary. **Say hello to Elliott!**

**November Rotary Proud Award - Antoinette Monroe:** During our Canned Food Drive, Antoinette stepped in at a key moment and helped move the project forward in an extraordinary way. She hosted a festive Halloween fundraiser and secured donated game tickets that generated an additional \$4,000. Her efforts played a meaningful role in helping the club surpass its \$12,500 fundraising goal.

## Rotary Etiquette Essentials

### The Art of Fellowship: Beyond the Weekly Meeting

Rotary fellowship doesn't end when the meeting bell rings. True Rotary connection means checking in on one another, sharing laughter, and lending a hand. As the year winds down, take a moment to reach out to a fellow Rotarian — someone you sit beside every week, or perhaps someone you haven't seen in a while. A quick call, a kind note, or a simple "thinking of you" can mean more than you realize.

## Rotary History

### Dan Stover Music Competition-38 years

The Dan Stover Music Competition was created to honor beloved **Rotarian Dan Stover**—a devoted educator, accomplished musician, and Past District Governor—who believed deeply in music's power to inspire connection. Often seated at the keyboard of his signature "Rotary" organ, Dan brought warmth and camaraderie to club gatherings across the District. His life blended service and song, and his presence left a lasting impression on everyone who heard him play.

In 1987, despite declining health, Past DG Dan Stover attended the District 5300 Conference to celebrate his friend Dr. Tim Keen Siu's installation as District Governor. When music was needed, Dan rose, walked to the organ, and delivered a heartfelt performance—his final gift to Rotary. He passed away shortly thereafter. To honor his legacy, the Rotary Club of Alhambra established the Dan Stover Memorial Music Scholarship, which grew into a district-wide competition. The program awards cash prizes at the Club, Regional, and District levels, with District Champions typically earning \$4,500–\$5,000, depending on participation.

## Weekly Showcase

### Three Programs. One Purpose. Inspiring the Next Generation.

From music to writing to public speaking, Rotary's youth competitions challenge students to express talent, values, and leadership through creativity and ethics.

- **A Lasting Legacy: the Dan Stover Competition.** For the 2025–26 program year, club-level contests run from February through early March, with each club's winning performer advancing to the district competition. District-level judging concludes in late March, and finalists will perform at the District Learning Seminar in May, where the overall winner is announced.
- **Words That Matter: the 2026 Rotary Ethics Essay Contest.** The District is excited to launch a brand-new initiative for District 5300: the 2026 Rotary Ethics Essay Contest. This contest invites high school students to examine real-life ethical dilemmas using Rotary's Four-Way Test. The competition begins at the club level in late February and runs through early March, with winning essays advancing to District judging in March. Top essays will be recognized and shared at the District Learning Seminar in May, fostering thoughtful dialogue and ethical leadership.
- **Shaping Ethics: The Four-Way Test Speech Series.** The Four-Way Test Speech Contest is underway! Rotary International District 5300 invites high school students to explore Herb Taylor's timeless questions of truth, fairness, goodwill, and benefit to all. This year's theme, Unite for Good, challenges students to consider how ethical leadership strengthens communities. The contest runs February 1 through May 23, 2026, advancing through Club, Area, and Regional levels, and culminating at the District Assembly. Our club competition is scheduled for January 29.

### Anil Melnick - B With A Twist Catering

If you've ever wondered what happens when an artist, a tech pioneer, and a business strategist all walk into a catering company... you get Anil Melnick. Since 2010—when B With A Twist Catering first fired up its ovens—Anil has poured two decades of business savvy into growing the family startup into a culinary powerhouse serving more than **900 events a year** across Las Vegas.

Before becoming the wizard behind the catering curtain, Anil earned a BA from Vassar and an MFA in Photography from the School of Visual Arts. His creative work has even been exhibited at the Philadelphia Museum of Art—yes, the one with those famous Rocky steps. In the early 1990s, he helped lead the shift from traditional to digital photography, rising from Retouching

Technician to General Manager of a printing plant. Las Vegas swept him up in 2003, where he later headed marketing teams for several homebuilders.

A world traveler, sports enthusiast, museum wanderer, music lover, and proud dad, Anil brings curiosity and heart to everything he does. And Rotary? "A wonderfully generous community," he says, "that challenges me every week to do the most good."

**Fun Fact:** Anil was a founding member of the band Royal Trux—appearing on their gloriously gritty 1987 debut album. Look it up and rock on!
