THE FOUR WAY TEST SPEECH CONTEST

What if four simple questions could help navigate today's complicated world? Nearly a century ago, Rotarian Herbert J. Taylor gave us the Four-Way Test—four guiding questions designed to bring clarity, fairness, and trust to both business and life. Though written generations ago, these questions remain as relevant today as ever:

Is it the Truth?

Is it Fair to all concerned?

Will it build Goodwill and Better Friendships?

Will it be Beneficial to all concerned?

Through Rotary's Four-Way Test Speech Contest, local high school students are invited to bring these timeless principles into the present day. This week is the club level of the competition where contestants will deliver original speeches exploring how the Four-Way Test applies to the world they experience — through the lenses of technology, social responsibility, leadership, relationships, and the challenges facing their generation. The result is thoughtful, authentic perspectives that connect Rotary values to real-life decisions.

For the students, the competition offers far more than a public-speaking experience. It builds confidence, ethical awareness, and the ability to articulate ideas that matter. For Rotarians, it is a powerful reminder that the Four-Way Test is not simply something we recite—it is something we live. As each student takes the podium, those four questions become more than words on a plaque. They become a living conversation—spoken in youthful voices, shaped by today's world, and filled with hope for tomorrow.

As our students step forward, we wish them the very best of luck. No matter the outcome, our greatest hope is that they leave carrying something lasting— the values of truth, fairness, goodwill, and service that define Rotary.

President's Message

Rotary: The Future of Learning

When we talk about *The Future of Learning*, we don't have to look far—it's already part of what we do.

Our **elementary school partners** remind us that learning begins with access: access to books, encouragement, mentorship, and belief. By supporting young students at the very start of their educational journey, we help not just readers, but **lifelong learners**.

Our partnership with **Spread the Word Nevada** is another powerful example of Rotary in action. Literacy is the foundation of all learning, and by putting books directly into the hands of children, we're investing in their future—and in the future of our community. A child who can read can learn anything.

These partnerships show that the future of learning isn't abstract or distant. It's local, hands-on, and happening now—in classrooms, libraries, and living rooms across Southern Nevada.

With over **103 years of Rotary history**, we continue to evolve, using timeless values and proven relationships to meet today's educational needs. Through service, collaboration, and commitment, Rotary is helping ensure that every child has the tools to learn, grow, and succeed.

The future of learning starts with literacy—and Rotary is proud to be part of that story.

Janice

GAME ON - END POLIO

Grab your paddle! Join us for Pickleball. Polio. Play. on February 7, from 1–4 p.m. at Chicken N Pickle, as Southern Nevada Rotary Clubs rally for the final push to eradicate polio worldwide. We are 99% of the way there—this is our moment. Play, cheer, or donate. One final push. One unforgettable afternoon. Together, let's finish what Rotary started 40 years ago.

Rotary Etiquette Essentials

The Art of Making an Impact

The mission of the Las Vegas Rotary Club is simple and powerful: Teaching Youth to Succeed through Literacy, Education, and Life Skills Development. Rotary International encourages clubs to listen to their communities when looking for opportunities to serve—and in Nevada, the need is clear. Our state consistently ranks near the bottom nationally in educational attainment, school quality, literacy, and graduation rates.

That need drives our projects—Breakfast with Books, Santa Clothes, Green Our Planet's Projects, the Mayor's Cup, Community Grants, and more. The challenges facing our youth are significant, and no one Rotarian can do it all. But Rotary's strength has never been an individual effort—it's collective impact. One hour volunteered. One donation given. One child encouraged. One act of service. All will create a ripple - but together - we become a wave. That's the Art of Making an Impact.

Rotary History

The Rotary Logo: The Wheel. Before it became one of the world's most recognizable service symbols, Rotary's wheel went through a few incarnations. The story begins in 1905, when Rotarian Montague M. Bear designed the first emblem — a simple wagon wheel meant to represent civilization and movement. As Rotary clubs expanded, many began modifying the original Wheel design until it varied widely from club to club.

By 1922, Rotary leaders saw the need for one official emblem to unite clubs worldwide. As Rotary expanded internationally, consistency mattered. In 1923, the organization adopted the familiar gearwheel with 24 cogs and six spokes. A crucial addition was the keyway—the slot that locks a gear in place. Without it, a wheel may spin, but it cannot move forward—symbolizing Rotary's belief that service must create progress.

Today, the Rotary wheel is a registered trademark of Rotary International. Our Club Historian, **PP Steve Linder** helps ensure that the Rotary wheel — and its history — are always represented accurately by our Club.

Sharing a Letter to the Club:

Hi Janice,

Thank you for the invitation to join today's Rotary lunch. It was a pleasure to be there and to help recognize Allister Dias with the Centennial Medallion. Moments like this really highlight the impact of community partnerships on student success. UNLV is grateful for the strong relationship we share with the Las Vegas Rotary, and it was wonderful to see that commitment reflected so clearly today. We truly value your leadership and the Rotary's continued engagement with our campus. Thank you again for including us and for all that you do. If I can ever be of assistance (once you get that list ready), please don't hesitate to reach out.

Jordan Fischette, Ed.D.

Director of Programs and Initiatives. Office of the President, UNLV

Valedictorian Luncheon – April 23

The Las Vegas Rotary Club will host one of its most meaningful traditions—the annual Valedictorian Luncheon—on April 23. Each year, we welcome the best and brightest graduating seniors from local high schools to spend the day with our club and share their plans for the next chapter of their lives.

This year's featured speaker, Dierdre Wolownick, is the perfect voice to inspire these remarkable students. Many members may remember her from our Alpine Picnic and recent Rotary meetings. An award-winning author, educator, and motivational speaker, Dierdre's life—from founding an orchestra to climbing El Capitan at age 66—embodies perseverance, possibility, and the promise of bright futures ahead.

Dan Stover Memorial Music Competition – February 26

The Las Vegas Rotary Club will host its club-level Dan Stover Memorial Music Competition on February 26, celebrating the exceptional talents of local high school musicians. This Rotary District 5300 program awards scholarships to students pursuing advanced musical studies at accredited colleges, universities, and music conservatories. The scholarship honors the legacy of Dan Stover, an educator who always placed students first and an accomplished musician known for sharing his talents throughout Rotary. Established following his passing in 1987, the program has supported generations of young performers. If you are interested in serving as a judge for this inspiring event, please see David Jones. *Picturing Kay and Dan Stover*

Sweetheart Meeting – Save the Date

Love is in the air at Las Vegas Rotary! Our February 12 meeting is our annual Valentine's Day Sweetheart Meeting, and we're rolling out the red carpet for the special people who make our Rotarians smile—on two legs and four. Members are invited to share photos of their sweethearts for our walk-in slideshow. Vintage favorites, new love stories, or beloved four-legged companions are all welcome. This cherished tradition gives members the chance to invite loved ones to experience Rotary fellowship. Please email photos to photos@lvrotary.us as a JPEG (.jpg), under 10 MB, and not pasted inline. Don't forget to make reservations with Shawn!
