***Speaker Steve Hill, Chief Executive Officer/President***

Steve was honored to speak with the group, see some familiar faces, and share the incredible momentum shaping our city. The “Vegas, The Fast Track” theme could not have been more fitting, and we’re glad the presentation resonated and sparked meaningful dialogue.

We deeply value the role Rotary plays in our community, and the opportunity to connect with such an engaged and civic-minded audience is always appreciated.

Thank you again for the warm welcome and for the partnership. We would be delighted to visit again in the future.
