International Project Update

PEE Mike Cudiamat returns with an exciting update on our club's participation in Project C.U.R.E. Through this innovative program, life-saving medical supplies are packed into suitcases and hand-delivered to clinics in need—reaching communities traditional aid often cannot. Each kit includes essential items such as wound care supplies, gloves, sutures, and diagnostic equipment.

Mike will share both the impact and the journey.

Our Club's Accomplishments

*Good People, Doing Good Things,

President's Message

Las Vegas is firmly on a development fast track for 2026 and beyond, fueled by major investments in hospitality, infrastructure, sports, and entertainment. From landmark projects like The Venetian renovation and the Vanderpump Hotel to transformative infrastructure such as Brightline and the Vegas Loop, along with the A's Stadium and new attractions like the Museum of Ice Cream, the city is redefining itself. Supported by a robust convention schedule and a strategic push to diversify beyond gaming into technology, warehousing, and broader economic growth, Las Vegas is positioning itself as a true 21st-century powerhouse.

This month's theme, "**Vegas: The Fast Track,**" perfectly aligns with that momentum. "*The Fast Track Rotarians are always on the move*" resonates with the rapid evolution of Las Vegas, as both embody a high-energy commitment to growth and impact. Just as the city continually advances through innovation and investment, local Rotarians proactively drive community development and meaningful service initiatives—ensuring that progress benefits everyone.

Rotary Etiquette Essentials

The Art of Consideration. Each week, Lawry's graciously welcomes Las Vegas Rotarians, supported by a dedicated team of servers, kitchen staff, and management. Please extend the same kindness and respect to the Lawry's team that we show one another. When possible, **take a moment to learn and use their names — just as we do with fellow Rotarians** — because being acknowledged by name reflects Rotary values in action.

Equally important is your RSVP. Accurate reservations allow Lawry's to prepare meals, staff appropriately, and ensure everyone has a seat. Late arrivals or unregistered guests create unnecessary stress for the dining room and kitchen. By confirming attendance and being mindful during service, we help ensure a smooth meeting and show appreciation for those who make our Rotary fellowship possible.

Rotary History

Before YouTube, iTunes, and PowerPoint

In Rotary's early days, fellowship often started with a song. Weekly meetings in the 1910s and 1920s regularly opened with group singing, led by a designated song leader and a trusty piano. The tradition dates back to 1905, when Chicago **Rotarian Harry L. Ruggles** — the fifth Rotarian — introduced singing as a simple way to build camaraderie. It caught on quickly and soon became part of Rotary's DNA.

To support the tradition, Ruggles' company published an early book of songs filled with patriotic tunes, familiar melodies, and original Rotary lyrics written by anonymous Rotarians. The first official songbook, *Songs for the Rotary Club*, appeared in 1918 with lyrics only; musical notation followed in 1925.

Original songbooks are preserved today in the Rotary International Archives in Evanston, Illinois.

Scribe Notes

January 29, 2026 - President Janice Lencke opened the meeting at 12:13pm. **Anil Melnick** gave the invocation. **Dr. Michael Williams** led the song. **Debra Howard** as Sergeant-at-Arms led the Pledge of Allegiance. **President Janice** thanked everyone for performing the day's duties.

The club welcomed 1 Visiting Rotarian from San Antonio, 0 International Guest Rotarians, and 1 guest of the Club. **President Janice** introduced the head table. All PP in attendance joined **President Janice** in honoring **Jerry Engel** as an Honorary Member of the Club. **Jerry Engel** gave an acceptance speech. **President Janice** introduced **PP David Thorson** and **Larry Cohn** who inducted and welcomed **Steve Stern** as the newest member of our Rotary Club. President Janice welcomed back **Laura Perkins** and **Jack Romano**.

In announcements: **Larry Cohn** reminded and invited all to new member orientation on February 5th, 6pm at **Antoinette Monroe's**. President of the 25 Club **Elliott Harris** invited all members to attend the next 25 Club event. Surprise and Delight was won by **Laura Perkins**. Raffle winner **Elliott Harris** who DID NOT pull the joker. Lawry Bucks was won by **Kathy Mahon**.

President Janice welcomed **Larry Goldstein** to the podium who welcomed Rotarians and friends to the Las Vegas Rotary Four Way Speech competition. **Larry Cohen** escorted the four guests into the lobby. **Larry Goldstein** asked that Rotarians and guests remain quiet, turn off phones, and to refrain from applause after each speaker. Spoiler Alert: this request was respectfully denied. Polite claps proceeded each speaker. **Larry Goldstein** explained how the contestants were chosen, how their speaking order was chosen, and time regulations. Each contestant entered and gave their speech.

Larry Goldstein asked the four contestant up to the front where they introduced themselves, current school, grade, their guests, and a bit about themselves. **Larry Goldstein** welcomed and thanked Toast Masters International for their support. Each of the Toast Masters attending were introduced. The winning order was announced by **Larry Goldstein**. 4th place Victoria. 3rd place Angelina. 2nd place Makayla. 1st place Nora.

President Janice congratulated and instructed the contestants on who to see for their winnings. **President Janice** thanked **Larry Goldstein**. **President Janice** adjourned the meeting at 1:38pm.

Member Spotlight

Randy Campanale

Born in Chicago and raised on stories far too colorful to print, Randy Campanale arrived in Las Vegas at age 12 when his family—like many others—came west for a fresh start and an honest living. By 14, Randy was already working at the legendary Alpine Village restaurant, a hotspot of the era that gained unexpected fame when it was bombed twice with plastic explosives while he was working. Yes... really.

At Valley High School, Randy helped lead the varsity soccer team to two undefeated seasons, earning All-Conference

Fullback honors by unanimous decision. He later graduated from UNLV's College of Business and Economics (now the Lee School of Business), where he would go on to be named a Distinguished Alumnus and receive the UNLV Alumni Association's Achievement in Service Award.

A Past President of the Las Vegas Rotary Club, Randy currently serves as a Senior Member of the Rotary Club Foundation Board and volunteers with LVMPD. Married to Karen, father of four sons, and grandfather to two granddaughters, Randy is deeply guided by family and community. A prolific reader, he starts every day with the Wall Street Journal, Financial Times, and the Review-Journal. He spends his "off hours" exploring history, geopolitics, and foreign policy—because even retirement apparently requires homework.

Fun Fact: Randy has flown—and partially piloted—both an F-16 and an F-15, breaking the sound barrier twice. His inner 12-year-old refuses to retire the dream
