Dear Randall,

First of all, congratulations on the graduation ceremony! Wishing the graduate and your family a proud and joyful celebration.

And thank you for such an energetic Vegas welcome message. After reading it, we from District 3040 are now officially excited — and slightly nervous — as first-time “sinners” arriving in Sin City under Rotary supervision!

We assure you that whatever happens in Vegas will remain confidential... unless it becomes excellent material for the next Rotary fellowship presentation back home in India.

Thank you again for the wonderful coordination and warm hospitality already being extended by you, Jean-Pierre, and the entire Nevada-California Rotary family. We are eagerly looking forward to fellowship, learning, laughter, and creating lifelong friendships.

Safe drive back from Colorado, and see you on Saturday!

Yours in Rotary Service and beginner-level Vegas vibes,

Rtn CA Anurag Joshi
