Dear Shawn and Leslie & Tom,

On behalf of Spread the Word Nevada, thank you for your generous \$25,000 contribution in support of our mission through the Kids-to-Kids program and the Breakfast/Snack Time with Books program. Your partnership is helping children and families across Nevada experience the power and joy of reading in meaningful, hands-on ways.

Through Kids-to-Kids, our flagship initiative, every child in our partner schools has the chance to choose a new book of their own to keep each month. By selecting books that reflect their interests, students become excited and curious readers, eager to explore new worlds and ideas. This simple act of choice fosters independence, sparks imagination, and builds confidence—encouraging a genuine love for reading and nurturing a lifelong habit of discovery and learning.

Your support also strengthens our Breakfast/Snack Time with Books program, held at Beckley either before or after school hours. In this welcoming environment, students and family members choose a gently used book—generously donated by the community—to build their home libraries while enjoying simple refreshments. Attendees leave with practical literacy tips for reading with their children, empowering parents and caregivers to stay actively involved in their child’s learning journey.

Together, these programs create a powerful circle of impact—placing books directly into children’s hands, supporting families with helpful resources, and inspiring consistent engagement with literacy. Thanks to you, more Nevada children are growing as confident readers and discovering that books open doors to brighter futures.

Thank you for believing in the potential of our students and for your kindness in helping their stories unfold. We are deeply grateful for your trust and for the meaningful difference you make in our community.

With much gratitude,

Lisa Habighorst
