"Time flies" — and it truly did from the moment we arrived in Las Vegas and stepped not only into your beautiful city but also into your hearts and homes. What began as a Rotary Friendship Exchange has blossomed into cherished memories that will remain with us for a lifetime.

The warmth, care, affection, and generosity showered upon every member of the Rotary District 3040 Friendship Exchange Team touched us deeply. Every detail of our visit reflected the meticulous planning, commitment, and passion of Rtn. Randall, whose efforts made our journey seamless and unforgettable.

Our sincere appreciation to Rtn. Madhuri, District 3040 RFE Chair and Rtn. Rajan Baveja, D3040 International Service Chair whose vision and coordination with PDG Rtn. Dr. Rampur, Las Vegas Rotary Club, laid the foundation for this meaningful exchange of friendship and goodwill. A special thank you to President Rtn. Janice for the gracious welcome extended to our team upon arrival at the "Welcome to Las Vegas" sign.

We are immensely grateful to Dr. Rampur, Randall, Chay, Brian, Linda, Liz, Rodney, Michelle, Michal, Kirk, Dr. Rao Puvvada, and Susan for coordinating transportation, accompanying us to various activities including the "Sphere" and ensuring that every moment of our stay was comfortable, enriching, and enjoyable.

Our heartfelt thanks to Dr. Rampur, Conny & Randall, and Chay & Brian for the wonderful dinners they so generously hosted. Beyond the exceptional hospitality, these gatherings fostered meaningful conversations and strengthened bonds of friendship.

We are equally grateful to the Rotary Clubs of Summerlin, Boulder City and Las Vegas for their warm hospitality through the breakfasts, lunches and dinners that made us feel like part of your Rotary family.

While on our drive from Nevada to California, we do so with hearts full of gratitude, admiration, and friendship. The spirit of Rotary was not merely demonstrated—it was lived by each one of you.

Thank you for opening your homes, sharing your lives, and creating friendships that transcend borders and distances.

Until we meet again, please accept our deepest gratitude and warmest regards.  
With love, appreciation, and Rotary fellowship,
