W. WEST ALLEN

**Intellectual Property and Constitutional Law
Partner, Howard & Howard, Law for Business**

"Remembering America's Foundational Principles: Growing Up with Civil War Battlefields and Securing a Deeper Understanding of our U.S. Constitution and Declaration of Independence." It highlights a few lesser known civil war battlefields, expounds on what happened at these sacred places and why, and how this led to greater understanding by Abraham Lincoln of the proper relationship between the eternal principles of Freedom in the Declaration and Independence and our U.S. Constitution, and how these two documents work together to protect the rights, privileges, and life of all. Every U.S. citizen should know and understand these Foundational American Principles as Lincoln did.

W. West Allen is a partner at the national law firm Howard & Howard, where he focuses on intellectual property and constitutional law. He represents clients in federal courts across the country, handling complex disputes involving patents, trademarks, copyrights, trade secrets, and constitutional issues. His work centers on federal litigation, dispute resolution, protecting intellectual property rights, and promoting a deeper understanding of the U.S. Constitution.

A nationally recognized leader in the legal community, Mr. Allen served as National President of the Federal Bar Association (2020–2021). He has authored a series of articles on the fundamental principles of the Constitution and has spent more than two decades working alongside federal judges, court officials, and attorneys to strengthen the federal court system, improve legal practice, and advance civic education. He has also testified before the U.S. Senate Judiciary Subcommittee on issues affecting the federal judiciary.

President's Message

Welcome to the first meeting of the 2026–2027 Rotary year!

It is truly an honor and privilege to serve as President of the Las Vegas Rotary Club. Thank you for the trust you have placed in me and thank you for your commitment to making our club one of the most respected service organizations in Southern Nevada.

This year's Rotary International theme, "**Create Lasting Impact**," challenges each of us to think beyond today's projects and focus on the legacy we leave in our community. Building on that vision, our Las Vegas Rotary theme is "**Back to Business**." We will strengthen our ties to the business community, attract new leaders to Rotary, support one another professionally, and ensure that our club continues to be a driving force in shaping the future of Las Vegas.

As our membership grows, so too will our ability to invest in literacy, education, youth leadership, veterans, community service, and the many organizations that depend on Rotary's leadership. Every new member, every hour of service, every sponsorship, and every act of generosity expand our ability to make a lasting difference.

Throughout this year, I encourage each of us to embrace the ideals that define a true Las Vegas Rotarian. Let the **Four-Way Test** guide our decisions. Welcome guests with enthusiasm. Support fellow members and their businesses. Volunteer often. Share Rotary's story throughout our community and invite others to experience the fellowship and purpose that make our club so special.

Together, we will honor more than a century of Rotary leadership in Las Vegas while building an even stronger future. I look forward to serving alongside each of you as we work together to **Create Lasting Impact** by getting **Back to Business**—for our club, our members, and the community we proudly serve.

Create Lasting Impact!

Greg Maguire

The Evolution of the Rotary Logo – Rotary’s Intellectual Property

The Rotary logo has evolved over more than a century while maintaining its strong connection to the organization’s heritage and values. When Rotary was founded in 1905, early emblems featured simple wagon wheels, symbolizing movement, industry, and progress. As Rotary expanded worldwide, the wheel design became more refined, eventually developing into the familiar gear wheel that represents hard work, service, and cooperation.

Over the years, Rotary International standardized its visual identity to ensure consistency across clubs and districts. In 2013, Rotary introduced a modern brand identity featuring the iconic gold gear wheel paired with the word "Rotary" in a clean, contemporary typeface. This update improved recognition while preserving the organization’s proud history.

Today, the Rotary logo is one of the world’s most recognizable service organization symbols. Its evolution reflects Rotary’s ability to embrace change while remaining committed to its enduring motto, "Service Above Self."

Rotary
Across the Nation

Birmingham Rotary Club, Birmingham, Alabama

Birmingham is located in the northern central region of Alabama. It is called the "Magic City" because of its explosive, seemingly overnight growth following its founding in 1871. The Rotary Club of Birmingham is part of district 6860 and one of the largest Rotary clubs in the world, with 600+ members. It was founded in 1913, just 42 years after the city's birth.

In 2004, the club established the Preschool Learning Initiative (PLI), with United Way's SuccessBySix. They have worked together to provide funding for a teacher and assistant in each class, trained teachers, coached parents, and helped establish a resource center that is open to all PreK teachers and parents.

Each December, club members volunteer to shop for residents of boarding homes in the Birmingham community. They provide food, clothing, toiletries, and gifts to over 150 residents.

In 2015, in celebration of the clubs 100th year anniversary, the club gifted a 3.5-million-dollar project, transforming a vacant railroad right-of-way, into a landscaped, four-block walking/running/biking pathway known as Rotary Trail. The trail and surrounding areas have become a destination for visitors and residents alike and are among the most photographed places in Birmingham. This year, in commemoration of its 10th Anniversary, they are reinvigorating the trail and adding more lighting and signage, as well redesigning underutilized space.

The club also sponsors one of the largest, strongest and most effective Rotaract Clubs in the world. Membership is by application only and provides recent college graduates with life changing opportunities such as the Board Fellows Program. The year-long program places select Rotaract members as non-voting, ex-officio board member on some of Birmingham's most impactful nonprofit boards. Participants are able to build relationships with community leaders, gain hands-on experience in nonprofit governance, and learn how to lead with purpose in any civic or professional setting.

Internationally, the club focuses on the treatment and prevention of cervical and breast cancer for women in Sri Lanka. They have provided funding for detection equipment and dedicated facilities. Through the project, over 33,000 women and men were screened for breast cancer. The Cervical Cancer Elimination Project aimed to improve the capacity of local health care professionals, promote disease prevention, and create treatment programs that limit the spread of communicable diseases and reduce the incidence and effect of non-communicable diseases.

Rotary
Across the World

Rotary Club of Palau

Today, we spotlight the Rotary Club of Palau, located in the island nation of the Republic of Palau in Micronesia, and a club that unbeknownst to them, shares a unique connection with the Rotary Club of Las Vegas.

Past President Karen Whisenhunt was a charter member of the Rotary Club of Palau when it was formed in 1995/6. Sponsored by the Rotary Club of Saipan, the club is now part of the Pacific Basin Group within Rotary District 2750,

Palau is renowned as one of the world's premier diving destinations, with spectacular coral reefs, abundant marine life, and crystal-clear waters. The nation is also home to significant World War II history. The battles of Peleliu and Angaur were among the bloodiest campaigns in the Pacific Theater, and their legacy remains visible today.

As one of the newest Rotary clubs chartered before the 1996 Rotary International Convention in Calgary, Alberta, Canada, the Rotary Club of Palau was eager to be represented on the world stage. Karen, a native Calgarian, traveled from Palau to attend the convention and brought three fellow Palauan Rotarians with her.

Recognizing that Palau's flag was not included among those scheduled for the convention's opening ceremonies, Karen brought a Palauan flag to Calgary and worked with organizers to ensure the new nation's flag would be represented. The Palauan flag took its place among the flags of Rotary countries from around the world, presented on horseback during the opening ceremonies.

Today, 30 years later, the Rotary Club of Palau remains an active club, serving its community and fostering international fellowship while advancing Rotary's mission of Service Above Self through events such as its annual Wine & Cheese for a Cause fundraiser.

The story of the Rotary Club of Palau reminds us that Rotary's strength lies in connecting people across cultures, oceans, and continents through friendship, service, and a shared commitment to making the world a better place.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST ★**
The development of acquaintance as an opportunity for service;
- SECOND ★**
High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD ★**
The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH ★**
The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
