JOSH PASTNER UNLV RUNNIN' REBELS HEAD COACH

Josh Pastner is the head coach of the UNLV Runnin' Rebels men's basketball program, bringing nearly two decades of high-level collegiate coaching experience to one of the nation's most recognizable

basketball programs. Named UNLV's head coach in March 2025, Pastner arrived in Las Vegas after successful head coaching tenures at the University of Memphis and Georgia Tech, where he earned a reputation as an outstanding recruiter, player developer, and program builder.

During his 14 seasons as a Division I head coach, Pastner compiled more than 275 career victories, won multiple conference championships, guided teams to five NCAA Tournament appearances, and earned ACC Coach of the Year honors in 2017. At Georgia Tech, he led the Yellow Jackets to the 2021 ACC Tournament Championship and their first NCAA Tournament appearance in more than a decade. Earlier, he guided Memphis to four consecutive NCAA Tournament appearances and multiple Conference USA titles.

A member of the University of Arizona's 1997 NCAA National Championship team, Pastner later began his coaching career under Hall of Fame coach Lute Olson before serving as an assistant to Hall of Famer John Calipari at Memphis. His passion for teaching, leadership, and developing young people has earned widespread respect throughout college basketball.

He and his wife, Kerri, have five children and two boys and three daughters, and he frequently emphasizes the importance of faith, character, and relationships alongside success in basketball.

President's Message

Investing in Rotary's Future

When we talk about our **Golf Putting Tournament & BBQ**, it is easy to focus on the fellowship, competition, and fun. But what matters most is what happens **because of it**.

The funds we raise directly support our **Rotary Youth Exchange program** and the experiences we provide for our exchange students throughout the year. Our club is unique in our District because we regularly host **exchange students**, giving young people from around the world the opportunity to live here, attend school, become part of local families, and experience Rotary first-hand.

This year, **Justus from Germany and Sophia from the Netherlands** are part of our Rotary family. Proceeds from the Putting Tournament help support opportunities such as SCANEX gatherings, cultural experiences, and travel, including the USA Train Tour, that make their year in America truly unforgettable. But the impact goes much further.

Youth Exchange may be one of the most powerful ways we have to build the **next generation of Rotarians**. These students spend an entire year surrounded by Rotary. They see our service projects, experience our fellowship, learn what Service Above Self means, and discover that Rotary is a worldwide network of people committed to making their communities better.

Many return home carrying those experiences with them and ultimately become Rotarians themselves. A program that begins as a student exchange can become a lifelong commitment to service.

That is why our Putting Tournament matters. When you participate, sponsor, or invite someone to join us, you aren't simply supporting an event. **You are investing in young people, international understanding, and the future of Rotary itself.** RSVP is required to attend, so please sign up NOW. Come meet Justus and Sophia, enjoy some fellowship, and help us continue a Las Vegas Rotary tradition that truly **Creates Lasting Impact**.

Member Spotlight

Peter Giacona

Say hello to Peter Robert Giacona Jr., one of the newest members of the Las Vegas Rotary Club. A dedicated father of three energetic preteen boys, Peter, Elliot, and Edwin, Peter balances family life with a passion for innovation and community service, and he does it in style: he and his boys own a small business together specializing in smart AI powered cooler vending machines, blending technology and entrepreneurship one snack at a time.

Professionally, Peter brings 22 years of experience as a licensed financial professional and currently serves as a Senior Financial Advisor at RBC Securities, part of the City National Bank network, where he works with individuals and business owners on wealth transfer strategies, business succession planning, and complex executive stock option plans.

Service is already a habit for Peter. He volunteers as a Small Business Mentor with SCORE Las Vegas, guiding aspiring entrepreneurs toward building sustainable ventures, a commitment that reflects his belief in economic growth and empowering others through knowledge sharing.

Whether advising clients, mentoring startups, or raising his boys, Peter strives to make a meaningful impact, and he says he is honored to bring that blend of financial acumen, entrepreneurial spirit, and community focus to the Las Vegas Rotary Club. Pull up a chair at a Thursday lunch and welcome him, and ask him which vending machine flavor his sons argue about most.

Centennial Medallions for UNLV Students

To celebrate Nevada's centennial in 1964, the Rotary Club of Las Vegas (LVRC) donated 101 original Centennial Medallions to the University of Nevada, Southern Regional Division, now known as UNLV.

The 1964 Nevada Centennial Medallions were created to celebrate Nevada's 100th anniversary of statehood and feature symbols that reflect the state's history: "Battle Born" signifies Nevada's admission to the Union during the Civil War in 1864; the miner and burro represent Nevada's mining heritage; Sagebrush is the state flower; the Hoover Dam symbolizes Nevada's development; the Five-Pointed Star symbolizes Nevada's mineral wealth; the 36 stars mark Nevada's position as the 36th state to join the Union, and the sunbeams represent hope and new beginnings.

The LVRC donated the medallions to honor one outstanding undergraduate student at each annual commencement in the spring from 1964 through Nevada's bicentennial in 2064. Recipients are selected by UNLV based on academic excellence, including grade point average. Winners are invited to the Club with the President of UNLV for a ceremony honoring the recipient's outstanding academic achievement.

The 2026 winner is Zachary Diaz.

Rotary Club of New Orleans

Few American cities possess the character and resilience of New Orleans. Founded in 1718, the city is celebrated for its vibrant music, distinctive Creole and Cajun cuisine, historic French Quarter, and world-famous Mardi Gras celebration. Yet New Orleans is more than a cultural icon. Throughout its history, it has faced devastating hurricanes, floods, fires, and economic challenges, most notably Hurricane Katrina in 2005. Time and again, the city's people have demonstrated an extraordinary ability to rebuild while preserving the traditions and spirit that make New Orleans unlike anywhere else in the world. That same resilience is reflected in the Rotary Club of New Orleans. Chartered in 1910, club number 12 is one of the oldest Rotary clubs in the world. Today, it is part of District 6840 and has approximately 150 members.

Locally, the club is perhaps best known for its commitment to literacy and education. Members have provided thousands of dictionaries to elementary school students, awarded scholarships, supported youth leadership programs, and partnered with schools and community organizations throughout the metropolitan area. Following Hurricane Katrina, Rotarians also played an active role in helping rebuild schools and neighborhoods, demonstrating that service extends well beyond financial contributions.

The Rotary Club of New Orleans has also built meaningful international partnerships. For many years, members have worked with Rotary clubs in the Philippines to ship and distribute tens of thousands of textbooks to schools recovering from devastating typhoons, helping students regain access to educational resources after natural disasters. The club has also supported orphanages in both the Philippines and India, reflecting a long-standing commitment to improving educational opportunities and the quality of life for children around the world.

If you would like to visit the Rotary Club of New Orleans, they meet every Wednesday at 12:00 p.m. at The Higgins Hotel & Conference Center.

Rotary Club of Bombay

Mumbai is a city of extraordinary contrasts. India's financial capital and home to more than 20 million people, it is where soaring skyscrapers stand beside centuries-old neighborhoods, luxury hotels overlook bustling street markets, and the Arabian Sea frames one of the world's busiest urban centers. Known for the Gateway of India, the Chhatrapati Shivaji Maharaj Terminus, and the Bollywood film industry, Mumbai is defined by ambition, resilience, and relentless energy. While the city's pace can be overwhelming, it is also a place where countless organizations work every day to improve the lives of others.

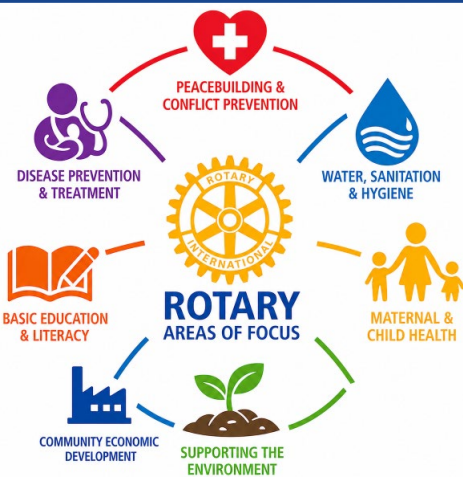

That spirit of service is exemplified by the Rotary Club of Bombay. Chartered on January 1, 1929, the club is Rotary International Club No. 2729, part of District 3141, and today has approximately 250 members. For nearly a century, it has united business and community leaders dedicated to addressing Mumbai's greatest challenges through sustainable service.

One of the club's most significant achievements is the Rotary-Bombay Airport Medical Centre, established in 1999. Located near Mumbai's international airport, the center provides free and affordable healthcare to thousands of underserved residents each year. What began as a modest clinic has expanded into a comprehensive medical facility offering primary care, specialist consultations, diagnostic services, physiotherapy, dialysis, and maternal and child health programs.

Beyond Mumbai, the Rotary Club of Bombay has supported humanitarian projects throughout India and neighboring countries through Rotary Foundation global grants focused on clean water, disease prevention, literacy, and maternal health. During the COVID-19 pandemic, members helped provide oxygen concentrators, ventilators, hospital equipment, and emergency relief while continuing their long-standing support for education and vocational training. These efforts reflect the club's enduring commitment to improving lives both locally and across the region.

If you would like to visit the Rotary Club of Bombay, they meet every Tuesday at 1:00 p.m. at the Cricket Club of India, Churchgate, Mumbai.
