President's Message

October Is a Great Month to Be Anywhere

Welcome to October, and hopefully to some cooler temperatures!

I've always liked to say, "**October is a great month to be anywhere.**" The summer heat is finally breaking, the mornings and evenings are getting cooler, and here in Southern Nevada, October is one of the best months of the year to get outside. It's also a great month to be a **Las Vegas Rotarian**, because you're going to find us just about everywhere!

We start the month volunteering at the **Las Vegas Motor Speedway**, followed by our **Family Fun, Golf Putting Tournament & BBQ** at Angel Park. We'll join the **One Drop Walk at Springs Preserve**, get our hands dirty with **Green Our Planet**, and head outdoors again for our **Highway Cleanup**. We'll recognize **World Polio Day**, celebrate together at our **Halloween Party**, and finish the month back at **Beckley Elementary for Breakfast/Snacktime With Books**. And don't forget our **Canned Food Drive** as we continue helping families throughout our community. And then of course, we have our signature project "**Santa Clothes**" kicking off this month as well.

That's a pretty good October! But don't stop there. Take advantage of this incredible place we call home. Hike **Red Rock Canyon**, head up **Mount Charleston**, explore **Valley of Fire**, or spend a day at **Lake Mead**. Point the car north and you're only a few hours from **Zion, Snow Canyon, Cedar Breaks, and Bryce Canyon**.

Most importantly, **get out and participate**. Volunteer for something new. Bring your spouse or family. Invite a prospective member. Spend time with Rotarians you don't normally see outside of Lawry's. Rotary is about service, but it's also about **fellowship, friendship, and shared experiences**. So, this month, **Get Outside!** Enjoy our events. Enjoy our community. Enjoy our natural wonders. And enjoy being a Rotarian.

October is a great month to be anywhere. Let's make the most of it together!

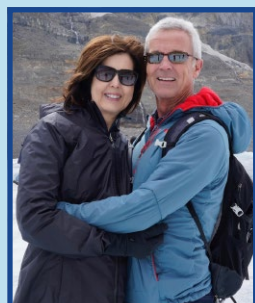

Greg Maguire

PP Tom Thomas - Managing Partner | Thomas & Mack Co.

Say hello to September's Rotarian of the Month, Past President Tom Thomas. Tom has managed Thomas & Mack Co., the family's investment management and commercial real estate development company, since it was formed in 1992. He came to it from banking: after earning finance and law degrees at the University of Utah, he joined Valley Bank of Nevada as Vice President and Legal Counsel, ran retail banking as a Regional Vice President, and rose to Senior Vice President over Private Banking and Corporate Trust Services before the bank's 1992 merger into Bank of America.

The Thomas name is part of the Las Vegas story. Tom's father, E. Parry Thomas, was the banker who pioneered financing for the gaming & resort industry in Nevada. UNLV's Thomas & Mack Center carries his name beside his partner Jerry Mack, in recognition of their effort to assemble and finance the UNLV campus back in the 1960's.

Tom's Rotary roots run deep too. A member of this club since 1988, he served as Club President in 1999-2000, the year the club moved out of the Desert Inn Country Club, and has served as President of the Las Vegas Rotary Foundation board. Beyond Rotary, Tom serves on the boards of the UNLV Foundation, the Greater Good Council, Brigham Young University's Leadership Council and Opportunity Village, where he has served for 35 years. Tom's prior board service includes the Utah Shakespeare Festival, Southwest Gas and Switch Inc. Currently, Tom serves as a regional leader for the Church of Jesus Christ of Latter-day Saints. In this role, Tom oversees the Church's government relations, interfaith relations and humanitarian efforts in Southern Nevada.

Away from the office, Tom cycles, skis powder, climbs mountains and travels to the far corners of the earth; climbing in Antarctica and the Himalaya was the subject of his talk to the club in 2017. He and his wife Leslie have five children, five grandchildren, and he calls Jerusalem his favorite city in the world. Ask Tom about his next expedition, or where his loyalties lie between Utah and BYU.

Rotary International - Grants Paid

If you've ever wondered just how much impact this club has had through the Las Vegas Rotary Foundation, the numbers tell a remarkable story.

Founded on April 3, 1998, the Foundation started as a small, member-funded effort supporting the club's service mission. By 2001, the earliest year with complete financial records, it held \$425,925 in assets and had granted roughly \$90,000 that year to community and Rotary International causes. It was a modest operation, running almost entirely on what came in each year.

Since then, the growth has been steady and, in recent years, striking. Looking back over the last 25 years, the Foundation has received more than \$8.8 million in total contributions and investment returns and has granted more than \$4.65 million directly to programs: Santa Clothes, Breakfast with Books, the Salvation Army Food Drive, Junior Achievement, Green Our Planet, Spread the Word Nevada, our elementary school mini-grants, and countless other service projects.

The last few years show real acceleration. Grants paid out climbed from roughly \$213,000 in 2022 to \$342,000 in 2024. The last five years have averaged more than \$275,000 per year in donations, a sustained step up in what the Foundation is able to give back to our community.

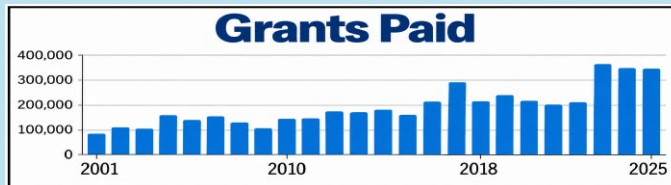

Where we stand today: the fiscal year that just closed (July 2025–June 2026) saw the Foundation's total assets reach approximately \$4.5 million, with net assets growing to match. That's nearly an eleven-fold increase since 2001, a compound annual growth rate of close to 10% per year, sustained for a quarter century. Few investment portfolios manage that; fewer still do it while giving away a substantial share of what comes in, year after year.

Looking ahead, the trend line is encouraging. If the Foundation continues compounding at anything close to its historical rate, we could reasonably expect assets to approach \$7 million within the next decade, with annual grants to programs likely climbing well past \$500,000 in the years ahead, assuming member giving and market returns stay on pace.

None of this happens on its own. Every pledge, every dollar raised at a fundraiser adds another link in a chain that now stretches back 25 years. Thank you for being part of it, and here's to the next 25.

Yours in Rotary,

Pete Samuolis

Rotary Club of Santa Fe

Founded in 1610, Santa Fe is the oldest capital city in the United States and a place unlike any other in the country. Nestled in the foothills of the Sangre de Cristo Mountains, the city is renowned for its distinctive adobe architecture, vibrant arts community, and rich blend of Native American, Hispanic, and Anglo cultures. That appreciation for tradition and community is reflected in the Rotary Club of Santa Fe. Chartered in 1917, the club is number 839, part of District 5520, and has served northern New Mexico for more than a century.

The club's signature event is the annual Pancakes on the Plaza, a Fourth of July tradition that has become one of Santa Fe's most beloved community celebrations. Since

1974, Rotarians and hundreds of volunteers have served thousands of pancake breakfasts in the heart of the historic Plaza before the city's Independence Day festivities begin. More than a festive breakfast, the event is the club's principal fundraiser, generating hundreds of thousands of dollars over the years for scholarships, youth programs, local nonprofits, and community service projects throughout northern New Mexico. It has become a tradition that many families include in their Fourth of July celebrations year after year.

The Rotary Club of Santa Fe's impact extends well beyond New Mexico. For many years, members have partnered with Rotary clubs in Mexico on projects that improve access to clean water, sanitation, education, and healthcare in underserved communities. The club has also supported the construction of school facilities, provided medical equipment through Rotary Foundation global grants, and contributed to humanitarian relief efforts following natural disasters in Mexico and Central America.

If you would like to visit the Rotary Club of Santa Fe, they meet every Thursday at 12:15 p.m. at La Fonda on the Plaza.

The Rotary Club of Halifax

Perched on one of the world's largest natural harbors, Halifax is a city where the sea has shaped nearly every chapter of its history. Founded as a British naval outpost in 1749, it has long served as Canada's gateway to the Atlantic and played a vital role during both World Wars.

The city also endured the Halifax Explosion of 1917—the largest man-made explosion before the atomic age—which devastated much of the community but revealed the remarkable resilience of its people. Today, Halifax blends its maritime heritage with a thriving waterfront, historic landmarks, renowned universities, and a vibrant cultural scene.

The Rotary Club of Halifax, Rotary International Club No. 555, was chartered on April 1, 1913, and is part of District 7815. With approximately 140

members, it was the first Rotary club in Atlantic Canada and has spent more than a century serving the Halifax community while helping expand Rotary throughout the Maritime Provinces.

One of the club's signature programs is Adventure in Citizenship, which gives Nova Scotia high school students the opportunity to experience Canada's parliamentary democracy firsthand in Ottawa. The club also supports youth leadership, literacy, affordable housing, food security, and mental health initiatives through its Charitable Foundation, which has awarded hundreds of thousands of dollars in grants to local organizations. Internationally, the club has partnered on clean water projects in Ghana, supported the Aninga Project to expand educational opportunities for children in rural Ghana, and provided disaster relief through ShelterBox, delivering emergency shelter and essential supplies to families affected by conflict and natural disasters. Together, these efforts demonstrate that a Rotary club on Canada's Atlantic coast can make a meaningful difference both at home and around the world.

If you would like to visit the Rotary Club of Halifax, they meet every Thursday at 12:15 p.m. at the Waegwoltic Club in Halifax, Nova Scotia.

2. Is it FAIR to all concerned?

3. Will it build GOODWILL and

4. Will it be BENEFICIAL to all concerned?
