President's Message

Where Can We Create the Greatest Impact?

Rotary has **seven Areas of Focus** that help guide the work Rotarians do around the world: promoting peace; fighting disease; providing clean water, sanitation and hygiene; saving mothers and children; supporting education; growing local economies; and protecting the environment.

As I look at everything the Las Vegas Rotary Club already does, I also find myself asking a different question:

Where can we do more?

Our Club has tremendous resources, not simply financially, but in the experience, professional expertise, relationships, and energy of our members. We have more than a century of history in Las Vegas and a membership capable of tackling significant challenges. Perhaps there is an environmental project in Southern Nevada where Rotary could make a measurable difference. Maybe there is an opportunity involving clean water, education, maternal and child health, economic development, disease prevention, or peace building that we haven't considered.

Some of the best ideas for Rotary service don't originate in a board meeting. They come from a member who sees a need and says, **"We could do something about that."**

So that is my challenge to you this week.

Take a look at Rotary's Areas of Focus and think about our community. **Where is there a need that matches what we do well? Where could our members, our Foundation, our community partners, and perhaps a Rotary grant create meaningful and sustainable impact?**

Then bring us your idea.

We don't need to do everything. But we should always be asking whether there is something more we can do, and where the Las Vegas Rotary Club is uniquely positioned to make a difference.

What should our next great service project be?

Greg Maguire

Member Spotlight

Mike Ballard

Mike Ballard's Southern Nevada roots run deep. Born at Nellis Air Force Base, he attended local schools and graduated from Brigham Young University. He founded Ballard Communications, once Nevada's largest public relations firm. He hired Sarah Thornton, now one of our Public Image Directors, right out of UNLV.

Today, Mike is cofounder and CEO of Camino Verde Group, which invests in, develops and manages multifamily and mixed use real estate in Nevada, Utah and other states. He helped build Ascent Multifamily Accounting, ranked No. 374 on the 2020 Inc. 5000, and helped start two banks. He was a founding board member of UNLV's Lied Institute for Real Estate Studies and Vegas Valley Angels.

Mike joined our club in 1995 and served as its 99th President in 2021 to 2022 under the theme "Service is the medicine for the soul." With Rob Pistone, he revived the Sole Power Awards, providing shoes and socks to children in need. He expanded our elementary school support to Dearing and McCall, two schools he attended.

He has sponsored many members, including Sarah Thornton, David Jones and Hank Huang, and is a multiple Paul Harris Fellow and Tiberti Builder of the Las Vegas Rotary Foundation. A Foundation trustee since 2023, Mike now serves as Secretary of the Board of Trustees and leads a new donor engagement and community impact effort celebrating members whose generosity sustains its work.

Beyond Rotary, Mike serves on Tuacahn's advisory board in Southern Utah. He and his wife, Robin, have four adult children. He is grateful for his years as his children's coach and his two sons' scoutmaster.

He also speaks Italian. Ask him about real estate and financing trends, or try out your Italian.

2027 Rotary Friendship Exchange - Southern India

District 2981 has invited District 5300 Rotarians to a Friendship Exchange in Puducherry and Tamil Nadu, January 7-17, 2027. The team arrives in Chennai on January 7 and departs on January 18.

This is home hospitality with fellow Rotarians, not a packaged tour. Participants stay in Rotarian homes, share meals, sit in club meetings, talk service, and see Pondicherry's French colonial streets, the Tamil Nadu coast, temples, churches, spiritual centers, historic towns, and UNESCO World Heritage sites with hosts who live there.

Last January, seven Rotarians from Las Vegas and Glendora lived with families in District 3040. That week included garland welcomes, India festival celebrations, home-cooked meals, late conversations, and friendships that outlasted the flight home. 2027 is a different district and a different part of India. The point of the exchange is the same.

The District 5300 team is limited to eight people, first come, first served. There is no application deadline. Travel is at each participant's own expense. Hosts provide lodging and home hospitality; guests cover airfare and personal costs.

Las Vegas Rotary members who want a seat should contact Randall Brody. District enrollment continues through PDG Rampur Viswanath, District Friendship Exchange Chair.

Contact Randall Brody at randall.brody@taxsamaritan.com or 702-417-1538.

Rotary Club of Kansas City

Kansas City, Missouri, known as the City of Fountains, boasts more than 200 fountains across the metropolitan area. Two American icons, Walt Disney and jazz musician Charlie Parker, also called the Kansas City area home. The Rotary Club of Kansas City began on May 16, 1910, when 57 local leaders gathered to establish what became the thirteenth Rotary club. Known as Club 13, it has since built one of its longest commitments around a place where children can experience summer camp.

The Kansas City Rotary Youth Camp held its first session in 1925. Three years later, Robert and Clara Gees placed its land in a trust for the club's use in serving young people. Today, Club 13 helps maintain the 40-acre camp, which nonprofit groups use free of charge. Its accessible pool, paved trail and cabins help children with disabilities and children facing other barriers enjoy camp. More than 300,000 campers have attended since it opened.

The club also supports Geeks for Kids, which builds customized electric ride-on cars for children with movement limitations. Club volunteers have helped deliver the cars and prepare for the day children and their families receive them.

Club 13's international work includes a long-running Shoes for Orphan Souls campaign. Its International Committee collected 1,009 pairs of shoes and 516 pairs of socks for the 2022 campaign; the following year's shipments were destined for Guatemala and the Dominican Republic. Club volunteers also sort and pack medical supplies with Project C.U.R.E. for hospitals and clinics overseas.

The Kansas City club meets Thursdays at noon at the Crowne Plaza Hotel in downtown Kansas City, with a social hour on the fourth Thursday. Visitors should check its current calendar before attending.

Rotary
Across the World

Rotary Club Wien

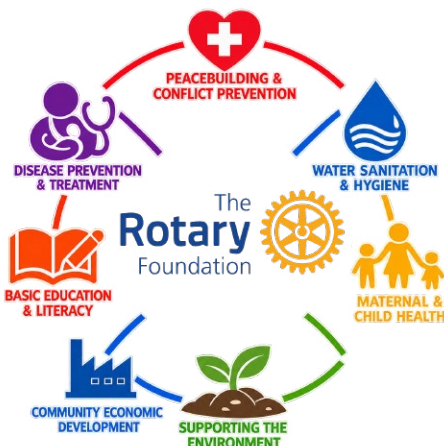

Vienna, Austria's capital, sits on the Danube River and was once the seat of the Habsburg Empire. It is famous as a city of music, where Mozart, Beethoven and Johann Strauss all lived and composed. Its grand coffeehouses are so central to local life that UNESCO recognizes Viennese coffeehouse culture as part of the world's cultural heritage. The Rotary Club Wien, the Rotary Club of Vienna, was founded in 1925 with the help of the Rotary Club of Doncaster, England. It was the first Rotary club in Austria and went on to help start many of the country's other clubs. With more than 120 members, it is the largest Rotary club in Austria and is part of District 1910, which covers Austria and Bosnia and Herzegovina.

At home, the club runs a "Spontanhilfe," or emergency aid fund. It works with the Vienna Red Cross to give about €10,000 a year to people in urgent need before other help can reach them. Its newest project pays for music therapy for children and teens recovering from trauma, a treatment Austria's health insurance does not cover.

The club's international work focuses on neighboring Bosnia and Herzegovina, which is still rebuilding after the war of the 1990s. After a similar project around Tuzla, the club led a \$123,555 Global Grant to stock the libraries of 60 elementary schools in the Zenica region. Before the project, teachers often read aloud from the only copy of a book. Now, children can read on their own and take books home. Over three years, the project funded about 14,000 books, trained 220 teachers and reached 30,000 students.

If you would like to visit, the Rotary Club Wien meets at the Ritz-Carlton Vienna, Schuberting 5-7, on the city's famous Ringstrasse.

Club **VS** **Kiwanis**

Our annual Thanksgiving Food Drive is one of our club's two signature projects. For over 50 years the Las Vegas Rotary Club and the Kiwanis Club have gathered together at Thanksgiving in a friendly competition to help restore community food pantries at the Salvation Army, in a time for the Holidays.

WHY THIS IS IMPORTANT

These figures are staggering: Nearly 17% of Southern Nevada's population struggle with food insecurity. 18% of our senior population is affected. 25% of CCSD students are on peak assistance programs. If they are out of school, they miss meals.

DONATIONS WELCOME

Kiwanis kicked us to the curb last year. We need to return the favor this year!
