JULETTA THIESSEN
COMMUNITY ENGAGEMENT MANAGER
NEVADA PARTNERSHIP FOR HOMELESS YOUTH

Juletta Thiessen is the Community Engagement Manager at Nevada Partnership for Homeless Youth (NPHY), a nonprofit organization dedicated to ending youth homelessness in Southern Nevada. She has been part of the NPHY team for more than three years, working to connect community members, volunteers, and local organizations with opportunities to support young people experiencing homelessness.

Through NPHY's outreach and volunteer programs, youth can access essential resources such as food, clothing, hygiene supplies, and other basic necessities. Juletta works closely with community partners to help make these resources available to youth and to raise awareness about the issue of youth homelessness in the Las Vegas community.

Juletta believes that everyone has a role to play in supporting young people, and that collaboration between nonprofits, businesses, and community members can make a meaningful difference. She is grateful for the opportunity to be part of NPHY's work and to help bring the community together in support of local youth.

President's Message

Investing in Our Youth, Strengthening Our Future

One of the things I am most proud of about the Las Vegas Rotary Club is the many ways we invest in young people. From elementary school students to young adults beginning their professional lives, our Club is helping create opportunities, build confidence, and develop the next generation of leaders. This week, we have two great examples of that commitment.

First, we will officially welcome and induct our new **UNLV Companion Club, Changemakers,** an exciting step toward introducing a new generation of young professionals to Rotary. By creating opportunities for younger members to engage in service, fellowship, and leadership, we are investing not only in their futures but also in the future of Rotary itself.

We will also present an **$8,006 check to the Nevada Partnership for Homeless Youth**, supporting an organization that provides critical assistance to vulnerable young people in Southern Nevada. For youth experiencing homelessness, access to basic necessities, transportation, shelter, and supportive services can make an extraordinary difference in their ability to build a stable future.

These two initiatives serve young people facing very different circumstances, but they share a common purpose: **helping young people reach their full potential.** When you consider these efforts alongside our Youth Exchange program, scholarships, educational initiatives, and Santa Clothes, you begin to appreciate the breadth of our Club's commitment to youth.

Rotary's mission is about creating lasting change, and I can think of few better investments than helping young people succeed. Thank you to the Rotarians whose leadership, generosity, and volunteer efforts make these programs possible.

Whether we are developing tomorrow's leaders or helping a young person overcome today's challenges, we are Creating Lasting Impact, one young life at a time.

Member Spotlight

Allister Dias - Higher Education · Global Development Analyst, UNLV Global

Allister Dias is bringing a new generation into Rotary. He is spearheading the Las Vegas Rotary Club's new companion club, and seven UNLV students will be inducted at our October 22nd meeting. The Companion Club spans the broader Las Vegas valley, along with two universities, UNLV and NSU, and introduces young people to active service within their communities, both locally and statewide.

Leadership has followed Allister through every stage of college. At UNLV, he was Honors College President, Editor in Chief of the Scarlet & Gray Free Press, and, in his senior year, Student Body President, representing some 30,000 students. He presented original research on disability and food insecurity among Southern Nevada seniors at Harvard University's Scholarship and Social Justice Conference, was named an Outstanding Student Leader at the 2025 Rebel Awards, and gave the student address at one of UNLV's spring 2025 commencement ceremonies. By graduation, Allister had led three case competition teams to national victories, along with four teams to countywide acclaim. He earned his BSBA in Economics from the Lee Business School, and minored in both Public Policy and Global Entrepreneurship, where, he says, the focus on teamwork and results "laid a strong foundation for my career."

Today, Allister is a Global Development Analyst with UNLV Global in the Office of the Executive Vice President and Provost, helping students/faculty pursue international educational opportunities. He also works as a legal assistant at Raich Law and is one of 25 new Yale Law School Launchpad Scholars, a yearlong program that prepares aspiring lawyers for law school. A former SVU intern with the Las Vegas District Attorney's Office, his goal is a law career focused on fair housing and food access.

Allister received the Rotary 2025 Nevada Centennial Medallion and joined our club in April 2026. He has volunteered with Three Square and Project 150. Away from work, he is a watchmaker (both wristwatches and stopwatches), is proficient in Chinese calligraphy, and runs both half and full marathons across the world, with his next one being in Berlin. Ask him about his next race.

Santa Clothes Brings Holiday Cheer to Local Children

For nearly 30 years, the Las Vegas Rotary Club's **Santa Clothes** program has brought holiday warmth, dignity, and joy to children in need throughout Southern Nevada.

Founded in 1996, Santa Clothes began by serving just 35 children. Today, it has become one of the Las Vegas Rotary Club's signature community service projects. Since its beginning, the program has served more than **7,700 children** and provided over **$2 million in clothing and other goods**.

Each holiday season, children are paired with caring adult volunteers for a special shopping experience at JCPenney. With their "Santa" by their side, children select new clothing, shoes, coats, socks, and other essentials. For many, it is an opportunity to choose new clothes for themselves while experiencing the encouragement and personal attention of a caring adult.

The day continues with lunch and activities at Engelstad Scout Park, where UNLV student-athletes join the fun. Children receive additional gifts such as books, backpacks, sports equipment, and dental kits, while also hearing messages about education, perseverance, and believing in their future.

Santa Clothes is truly a community effort. Las Vegas Rotary, Rotary clubs throughout Southern Nevada, volunteers, businesses, and generous donors all play an important role in making the program possible. In 2025 alone, Santa Clothes provided clothing and shoes to **593 local children.**

More than providing necessities, Santa Clothes creates memories. A new pair of shoes, a warm coat, or an outfit chosen especially by a child can bring confidence and a sense of belonging.

The program embodies Rotary's commitment to **"Service Above Self"** and demonstrates what is possible when our community comes together to make the holidays brighter for local children.

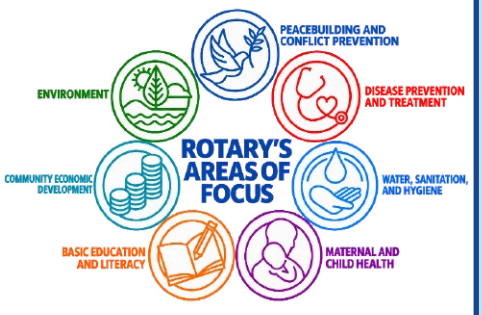
Rotarians Imagine The Possibilities!



Rotary Across the Nation

The Rotary Club of San Antonio

San Antonio, Texas, is filled with history and Latino culture. Its River Walk follows the river for 15 miles, reaching well beyond the downtown stretch familiar to many visitors. The city's five Spanish colonial missions, including the Alamo, together form a UNESCO World Heritage Site. The Rotary Club of San Antonio was chartered on November 1, 1912, as Rotary's 52nd club. Its membership grew to 128 in its first year. More than a century later, over 300 members continue to bring San Antonians together around projects in their city and abroad.

Started in 1997 by past president Rick Cavender, Kingdom for Kids brings Rotarians, volunteers and community partners together to build playgrounds where San Antonio children have few places to play. The club has completed 28 builds at schools, libraries and nonprofit campuses, turning overlooked spaces into safe places for children to gather and play. One project created an accessible playground for children served by Any Baby Can. In 2025, volunteers created a new play space at Autism Community Network, which supports autistic children and their families.

Internationally, San Antonio Rotarians work with clubs in Ukraine, Wales and England to deliver aid to people affected by the war in Ukraine. The club reports 19 missions carrying supplies that include ambulances, infant formula, medical equipment, water purification systems and generators. San Antonio Rotarians have traveled to Ukraine to help deliver aid alongside their partners.

If you ever find yourself in San Antonio, the club meets on Wednesdays at 11:45 a.m. in Dawson Family Hall at the Witte Museum; the final Wednesday meeting each month is online. Nonmembers attending in person must be accompanied by a club member.

Rotary Across the World

Rotary Club of Tokyo Hiroo

Hiroo is an elegant neighborhood in central Tokyo, where Minato and Shibuya wards meet. Leafy and quiet by Tokyo standards, it is home to many embassies, international schools and foreign residents. Its heart is Arisugawa-no-miya Memorial Park, a hilly garden of ponds, waterfalls and trees. The Rotary Club of Tokyo Hiroo is part of District 2750. It was founded in December 2000 with sponsorship from the Rotary Club of Tokyo Jingu. It is the only Rotary club in Japan officially designated as bilingual. Meetings are held in both English and Japanese, and members come from Japan and around the world. That makes it a natural home for international visitors.

The club's signature project is in Kenya, where it has been drilling wells for rural communities since 2008. To pay for them, members held charity golf tournaments and "Kenya Night" fundraisers, and they later added matching grants from The Rotary Foundation. To date, the club has completed more than 30 wells, bringing safe water to villages that once depended on distant or unsafe sources. During the COVID-19 pandemic, the club also joined the Rotary Club of Chicago-Naperville on a Global Grant to provide protective equipment.

Closer to home, the club supports the fight against breast cancer and helps people with visual and hearing disabilities. In its early years, members recorded audio tapes for blind readers. More recently, the club launched an "Adult Field Trip" program that lets students learn directly from working professionals. In 2024, it formed a sister-club friendship with the Rotary Club of Kanazawa Kōrinbō, on Japan's west coast.

If you would like to visit, the Rotary Club of Tokyo Hiroo meets most Thursdays from 12:30 to 1:30 p.m. at the Roppongi Hills Club, on the 51st floor of Mori Tower, with sweeping views over Tokyo.
