SENATOR CATHERINE CORTEZ MASTO **NEVADA STATE SENATOR**

Catherine Cortez Masto is the first woman from Nevada and the first Latina ever elected to the U.S. Senate. Born and raised in Las Vegas, Cortez Masto has spent her career protecting Nevada families. As Nevada's Attorney General, Cortez Masto fought to protect seniors and combat drug crime, strengthened laws to end sex trafficking and violence against women, and took on the Big Banks. In the Senate, Cortez Masto has taken her fight for working Nevadans to Washington, D.C., by working to keep Nevadans safe, protect access to health care, create good-paying jobs, hold banks accountable when they harm hardworking families and homeowners, defend Dreamers so they can continue to live in the only country they've ever called

home, and grow Nevada's innovation and renewable energy economy while also prioritizing workers and union families.

She is a member of four U.S. Senate Committees, the Committee on Finance; the Committee on Banking, Housing, and Urban Affairs; the Committee on Energy and Natural Resources; and the Committee on Indian Affairs. Cortez Masto currently serves as the Ranking Member of the Public Lands, Forests, and Mining Subcommittee of the Energy and Natural Resources Committee. Cortez Masto earned a Bachelor of Science in Business Administration in Finance from the University of Nevada, Reno in 1986, and a J.D. from Gonzaga University School of Law in 1990. She resides in Las Vegas with her husband Paul.

President's Message

Be a Rotarian, Not Just a Member!

This week, we have the privilege of welcoming **United States Senator Catherine Cortez Masto** to our Las Vegas Rotary Club. Hearing directly from one of our nation's elected leaders is another reminder of what makes Rotary such a special organization.

But Rotary is about much more than attending a weekly luncheon, hearing a great speaker, or having your name on a membership roster.

There is a difference between being a member of Rotary and being a Rotarian. Membership gives you access to an extraordinary organization. Being a Rotarian means taking advantage of that opportunity and contributing something in return.

It's volunteering at a service project, supporting our charitable programs, welcoming a new member, mentoring a young professional, inviting a friend to lunch, or building friendships with people you might never otherwise meet.

To all of you who consistently show up, volunteer, organize events, donate, and support our Club's many activities, thank you! You are the heart of this organization. Your time, energy, and commitment are what turn our ideas into action and make our impact throughout Southern Nevada possible.

Being a Rotarian also means staying engaged in our community. With Election Day approaching November 3, I encourage everyone to **get informed and exercise your right to vote**. Rotary is nonpartisan, but we value informed citizenship, respectful dialogue, and different perspectives.

One of Rotary's greatest strengths is bringing together people from different professions, backgrounds, and viewpoints, united by a common desire to serve.

So, here's my challenge this week: **Don't just belong to Rotary. Be a Rotarian.**

Attend. Participate. Volunteer. Lead. Build friendships. Make a difference. The more you put into Rotary, the more you, and our community, get out of it.

That's how we Create Lasting Impact.

Las Vegas Rotary: A Century of Service and Community Development

Since its founding in 1923, the Rotary Club of Las Vegas has been closely connected to the growth and development of Southern Nevada. Rotary was established when Las Vegas was still a small railroad town of only a few thousand residents, and many of the community's early business and civic leaders were among its founding members.

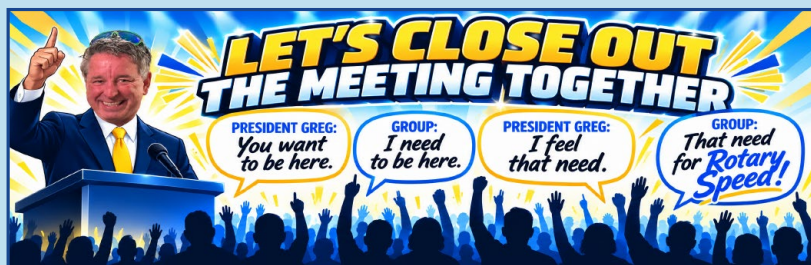

From its earliest years, Las Vegas Rotary viewed community development as part of its mission. During the construction of Boulder (Hoover) Dam, Rotary members helped support the development of Boulder City and the infrastructure associated with the enormous project. The club also played a role in expanding the region's civic and communications infrastructure; in 1928, Rotary member Ed Clark participated in the inauguration of Las Vegas' first long-distance telephone service.

Rotary's contributions extended beyond infrastructure. In the club's early decades, members funded medical assistance for children, improved local athletic facilities, helped provide lighting for high-school football, and supported parks and other community improvements. These efforts reflected an emerging Las Vegas in which business leaders were increasingly investing not only in commerce but also in the quality of life of the growing community.

That tradition continued as Las Vegas expanded. By the late twentieth century, the club was supporting universities, parks, youth programs and numerous nonprofit organizations. In the 1989–90 Rotary year alone, the club reported more than \$27,000 in community-service expenditures and more than \$11,000 in scholarships for students attending UNLV and the Community College of Southern Nevada, in addition to thousands of volunteer hours.

Today, the Rotary Club of Las Vegas continues that legacy through its emphasis on literacy, education, youth development and life skills. Its community work includes scholarships, grants, hands-on service projects and programs such as Santa Clothes, while the Las Vegas Rotary Foundation provides a dedicated charitable vehicle for supporting community initiatives.

In many ways, the history of Las Vegas Rotary mirrors the history of Las Vegas itself: a small group of civic-minded business and professional leaders grew alongside the city and helped build the institutions, opportunities and community infrastructure that made Southern Nevada a stronger place to live. The Rotary Club's archival records, preserved by UNLV, document this relationship between the organization and the development of the community over generations

Rotarians Imagine The Possibilities!

The Rotary Club of Carpinteria

Carpinteria is a small beach town on California's Central Coast, about 12 miles east of Santa Barbara. Its gentle waves have earned it the nickname "the World's Safest Beach." Humans

aren't the only ones who love it. From December through May, the city closes part of the beach so harbor seals can give birth and raise their pups in peace. The Rotary Club of Carpinteria is part of District 5240. It received its charter on September 15, 1973, and celebrated its 50th anniversary in 2023.

The club's signature fundraiser is its annual Talent Showcase, where dancers, musicians, comedians, storytellers and jugglers take the stage at the historic Alcazar Theatre. Since

2009, the sold-out show has raised more than \$325,000. The proceeds have put about 300 musical instruments into the hands of local students and funded roughly 100 college scholarships. Some performers have gone on to bigger stages, including Will Broman of NBC's The Voice.

Rotarians also help protect the beach their town is known for. Each month, members measure the beach's slope and send the data to researchers at UC Santa Barbara. Over time, the measurements show how much sand winter storms wash away and how much returns in calmer months.

Internationally, the club partners with Heifer International to provide goats to families in Ecuador. Each goat costs about \$120, and families receive training in its care. The milk helps feed a family, and any extra milk or cheese can be sold for income. In the project's first few months, club members funded 21 goats.

If you find yourself in Carpinteria, the club meets on the second and fourth Thursdays of each month at 11:45 a.m. at Lions Community Park, 6197 Casitas Pass Road.

The Rotary Club of Kathmandu

Kathmandu, Nepal's capital, sits in a green valley ringed by the Himalayas. For many travelers it is the gateway to Everest. The valley is also home to seven UNESCO World Heritage sites, including ancient royal squares, the great Boudhanath stupa and Swayambhunath, the hilltop "Monkey Temple." The Rotary Club of Kathmandu was chartered on April 13, 1959, as the first Rotary club in Nepal. King Mahendra was the chief guest at its charter ceremony. The club is part of District 3292 and has since sponsored seven more Rotary clubs across the country.

The club has a long record of firsts in Nepali health care. It set up the country's first radiotherapy unit for cancer patients at Bhaktapur Hospital, and it helped equip the first heart catheterization labs at two of Kathmandu's major hospitals. Its reach now extends far beyond the

capital. Through Project Jhola, the club gives more than 5,000 school bags a year to children in remote districts. It also builds about a dozen girl-friendly toilets in public schools each year, so girls don't have to miss school. The club's computer training program for public school teachers has trained 55 groups of teachers so far. In 2026, it opened a computer training center in Butwal for survivors of human trafficking.

Internationally, the club works with Rotary partners in a dozen countries, from Japan and Australia to the United States and Europe. In January 2026, a Global Grant funded with Rotary districts in Asia, including Japan, gave the B.P. Eye Foundation in Bhaktapur a \$39,255 Phaco machine for modern cataract surgery. The equipment is expected to help about 1,000 patients, many of whom could not otherwise afford care. Cataracts are one of the leading causes of preventable blindness in Nepal.

If you would like to visit, the Rotary Club of Kathmandu meets Wednesdays at 5 p.m. at Rotary Hall in Thapathali.

ANNUAL THANKSGIVING FOOD DRIVE CHALLENGE

Las Vegas
Rotary
Club

VS

Kiwanis

Our annual Thanksgiving Food Drive is one of our club's two signature projects. For over 50 years the Las Vegas Rotary Club and the Kiwanis Club have gathered together at Thanksgiving in a friendly competition to help restore community food pantries at the Salvation Army, in a time for the Holidays.

DONATIONS WELCOME

WHY THIS IS IMPORTANT

 Nearly 17% of Southern Nevada's population struggle with food insecurity.	 18% of our senior population is affected.	 25% of CCSD students are on peak assistance programs.
---	---	---

If they are out of school, they miss meals.

**Kiwanis kicked us to the curb last year.
We need to return the favor this year!**
